Jeffrey Siegel, Lifetime's Chairman and Chief Executive Officer, commented,

"Despite a continuation of the tough retail environment, Lifetime delivered record sales of \$162.2 million and record EBITDA of \$16.5 million, largely due to the success of our acquisition strategy and international expansion.

"Net sales for the quarter ended September 30, 2014 increased by \$20.0 million, or 14.1%, to a record \$162.2 million. The increase includes \$20.7 million in net sales attributable to businesses that we acquired in 2014.

"Wholesale net sales in the U.S. decreased 3.7% organically, primarily due to a decrease in sales of kitchenware products to warehouse clubs. This decrease was partially offset by sales attributable to Built, which we acquired in 2014, and by organic increases in sales of tableware and other products.

"Outside the U.S., wholesale net sales increased by \$22.8 million, primarily due to the inclusion of Kitchen Craft and La Cafetière, which were acquired in 2014, and to higher sales at Creative Tops and sales to Walmart stores in China. Gross margin increased by 440 basis points to 35.2%, driven principally by the inclusion of net sales of higher margin kitchenware products at Kitchen Craft.

"I am pleased to note that Grupo Vasconia, our Partner Company in Mexico, is overcoming the challenges it faced in 2013 and recorded improvement in both its kitchenware and commercial aluminum businesses. For the quarter, Vasconia reported income from operations of \$1.7 million, as compared to a loss in the 2013 period. Equity in earnings was \$0.3 million, compared to equity in losses of \$5.3 million in the 2013 period.

"In Brazil, our Partner Company GS Internacional is making strides in transforming itself into a leader in the mass market and recently was appointed Category Advisor for kitchenware, cutlery & cutting boards at one of Brazil's largest mass market retailers. While we have confidence in the ultimate success of our investment in GS, we are taking a non-cash charge of \$5.2 million to reflect GS's current operating results and current economic conditions in Brazil.

"Our home décor products category has experienced a decline in sales and profit in the recent years. We have made some progress in restructuring that business by re-branding a portion of our home décor products under the Mikasa®, and Pfaltzgraff® trade names and, more recently, through the acquisition of the Bombay® license for decorative accessories. As a result of these factors, we are taking a non-cash impairment charge of \$3.4 million with respect to certain trade names that previously represented significant portions of our home décor sales.

"Reflecting the outlook for ongoing weakness in sales of certain product categories in the U.S., we are reducing our sales guidance for the year to \$590 million from the \$600 million that we previously had forecast."

Dividend

On Wednesday, November 5, 2014, the Board of Directors declared a quarterly dividend of \$0.0375 per share payable on February 13, 2015 to shareholders of record on January 30, 2015.
