Item 1.01. Entry into a Material Definitive Agreement

On February 14, 2017, Lifetime Brands, Inc. (the “Company”) entered into a triple net lease agreement (the “Lease”) with Baseline Opportunity, LLC (the “Landlord”) for 702,668 square feet of warehouse and distribution space in Rialto, California (the “Facility”). The term of the Lease is 128 months with three renewal options of five years each. Annual base rent will be approximately \$3.5 million annually, at the commencement of the Lease, and will increase on an annual basis by 3%. The Company shall receive an abatement of eight months of base rent.

Landlord will construct the Facility to the Company’s specifications as set forth in the Lease, at Landlord’s sole cost and expense up to a maximum expense as set forth in the lease (“Tenant Improvement Allowance”). If due to changes in the specifications requested by the Company the cost for the design and construction of the Facility exceeds the Tenant Improvement Allowance, the Company has the option to either (i) pay for the increased cost, or (ii) finance the increased cost through a capitalized tenant improvement allowance and an amortized tenant improvement allowance, both of which shall be paid through an increase in the rent.

The Lease will commence the later of (i) the substantial completion of the Facility and other on site and off-site improvements to be undertaken by Landlord pursuant to the Lease, or (ii) November 1, 2017. If Landlord has not substantially completed the improvements by December 1, 2017, the Company shall receive additional rent abatements until substantial completion is achieved.

The Company expects to begin moving its operations into the Facility in November 2017. The Facility will serve as the Company’s West Coast distribution facility of its U.S. Wholesale Segment, which will replace the Company’s existing Fontana, California facility, the lease for which expires in March 2018.
