I invite you to participate in our Annual Meeting of Stockholders on Thursday, June 25, 2020 at 10:30 a.m. Eastern Time, online at www.meetingcenter.io/247518216. Due to the information and guidance currently available surrounding the emerging public health impact of the coronavirus outbreak (COVID-19), we have made the decision that this year's Annual Meeting will be virtual only. Information on how to participate in the Annual Meeting can be found on page 9 of the Proxy Statement.

At the Annual Meeting, you will be asked: to elect a board of ten directors; to ratify the appointment of our independent registered public accounting firm; to approve the compensation of the Company's named executive officers; and to approve an amendment and restatement of the Company's Amended and Restated 2000 Long-Term Incentive Plan.

We are taking advantage of the Securities and Exchange Commission rule that allows companies to provide their stockholders with access to proxy materials over the Internet. On or about May 5, 2020, we will begin mailing a Notice of Internet Availability of Proxy Materials (the "Notice") to our stockholders informing them that our Proxy Statement, Annual Report for the fiscal year ended December 31, 2019 and voting instructions are available online. As more fully described in that Notice, all stockholders may choose to access our proxy materials on the Internet or may request to receive paper copies of the proxy materials. This allows us to conserve natural resources and reduces the costs of printing and distributing the proxy materials, while providing our stockholders with access to the proxy materials in a fast and efficient manner. You can also visit our website, www.lifetimebrands.com, where you will find this Proxy Statement and our Annual Report for the fiscal year ended December 31, 2019.

On behalf of our directors and our management team, I thank you for your continued support of Lifetime Brands.

BOARD NOMINEES AND COMMITTEE ASSIGNMENTS

There are ten director nominees for election at our 2020 Annual Meeting, to hold office until the next Annual Meeting and until their successors have been duly elected and qualified. All of the nominees, other than Ms. Veronique Gabai-Pinsky, are currently serving as directors of the Company, and all nominees, other than Ms. Gabai-Pinsky and Ms. Rachael A. Jarosh, were elected to the board of directors (the "Board") at the last Annual Meeting. Ms. Jarosh was appointed to the Board on January 27, 2020. Ms. Gabai-Pinsky is not currently serving on the Board, but has been nominated for election to the Board at the 2020 Annual Meeting. She will fill the vacancy on the Board that will result from current Board member Dennis E. Reaves not being re-nominated for election at the 2020 Annual Meeting.

With respect to Messrs. Kay, Pollack and Schnabel, as previously disclosed, the Company entered into an Agreement and Plan of Merger (the "Merger Agreement") by and among the Company, Taylor Parent, LLC, a Delaware limited liability company ("Taylor Parent"), and Taylor Holdco, LLC, a Delaware limited liability company (dba Filament Brands, and which the Company refers to as "Filament") and related entities, providing for the acquisition of Filament by the Company (the "Filament Acquisition"). In connection with the Merger Agreement, the Company entered into a stockholders agreement (the "Stockholders Agreement") by and among the Company, Taylor Parent and other related stockholders. Pursuant to the Merger Agreement and the Stockholders Agreement, the Company was required to appoint three Taylor designees to the Board. On March 1, 2018, effective upon the closing of the Filament Acquisition, the Board unanimously voted to expand the Board and to appoint Messrs. Kay, Pollack and Schnabel to fill the newly created vacancies on the Board. Messrs. Kay, Pollack and Schnabel were subsequently elected to the Board by the Company's stockholders at the 2018 and 2019 Annual Meetings and are standing for re-election to the Board at the 2020 Annual Meeting.

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS To be held on June 25, 2020

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Lifetime Brands, Inc., a Delaware corporation (the "Company", "us" or "we"), for use at our Annual Meeting of Stockholders (the "Annual Meeting") to be held on the date, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. Stockholders of record at the close of business on April 27, 2020 are entitled to notice of and to vote at the Annual Meeting.

On or about May 5, 2020, we will begin mailing a notice, called the Notice of Internet Availability of Proxy Materials (the "Notice"), to our stockholders advising them that this Proxy Statement, the 2019 Annual Report and voting instructions can be accessed over the Internet at www.envisionreports.com/LCUT. You may then access these proxy materials over the Internet, or you may request that a printed copy of the materials be sent to you. If you want to receive a paper or e-mail copy of these proxy materials, you must request one over the Internet at www.envisionreports.com/LCUT, by calling 1-866-641-4276 toll free, or by sending an e-mail to investorvote@computershare.com. There is no charge to you for requesting a copy.

THE ANNUAL MEETING

On April 27, 2020, there were 21,485,682 shares of the Company's common stock, \$0.01 par value, issued and outstanding. Each share of the Company's common stock entitles the holder thereof to one vote on each matter submitted to a vote of stockholders at the Annual Meeting.

All shares of common stock represented by properly executed proxies or voting instruction forms will be voted at the Annual Meeting in accordance with the directions marked on the proxies or voting instruction forms, unless such proxies or voting instruction forms have previously been revoked. If no directions are indicated on such proxies or voting instruction forms, they will be voted FOR Proposal 1 – the election of each nominee named under Election of Directors, FOR Proposal 2 – the ratification of the appointment of Ernst & Young LLP as the independent registered public accounting firm of the Company for 2020, FOR Proposal 3 – the approval, on a non-binding advisory basis, of the

compensation of the Company's named executive officers and FOR Proposal 4 – to approve an amendment and restatement of the Amended and Restated 2000 Long-Term Incentive Plan. If any other matters are properly presented at the Annual Meeting for action, the proxy holders will vote the proxies (which confer discretionary authority upon such holders to vote on such matters) in accordance with their best judgment, subject to compliance with Rule 14a-4(c) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Each proxy executed and returned by a stockholder by any of the methods indicated below may be revoked at any time before it is voted by timely submission of a written notice of revocation or by submission of a duly executed proxy bearing a later date (in either case directed to the Secretary of the Company), or, if a stockholder participates online in the Annual Meeting, he or she may elect to revoke his or her proxy and vote his or her shares personally.

VOTE REQUIRED FOR APPROVAL

A majority of our outstanding shares of common stock present at the Annual Meeting, in person or by proxy, and entitled to vote shall constitute a quorum. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Assuming a quorum is present, (1) directors shall be elected by a plurality of the votes cast in the election of directors, (2) the affirmative vote of a majority of the shares present at the Annual Meeting, in person or by proxy, and entitled to vote is necessary to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm, (3) the affirmative vote of a majority of the shares present at the Annual Meeting, in person or by proxy, and entitled to vote is necessary to approve, on a non-binding advisory basis, the compensation of the Company's named executive officers, and (4) the affirmative vote of a majority of the shares present at the Annual Meeting, in person or by proxy, and entitled to vote is necessary to approve an amendment and restatement of our Amended and Restated 2000 Long-Term Incentive Plan.

With respect to Proposal 1, you may vote for all nominees, withhold your vote as to all nominees, or vote for all nominees except those specific nominees from whom you withhold your vote. The ten nominees receiving the most "FOR" votes will be elected. Properly executed proxies marked "WITHHOLD" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. Proxies may not be voted for more than ten directors and stockholders may not cumulate votes for the election of any directors.

With respect to Proposals 2, 3 and 4, you may vote for, against or abstain from voting on any of these proposals.

If a stockholder, present in person or by proxy, abstains on a matter, such stockholder's shares of common stock, although included in the quorum, will not be voted on such matter. Thus, an abstention from voting on either Proposal 2, 3 or 4 has the same effect as a vote "against" the matter.

Brokers or other nominees who hold shares of our common stock for a beneficial owner have the discretion to vote on routine proposals when they have not received voting instructions from the beneficial owner at least ten days prior to the Annual Meeting. New York Stock Exchange rules prohibit brokers from voting on Proposals 1, 3 and 4 without receiving instructions from the beneficial owner of the shares. Brokers may vote on Proposal 2 absent instructions from the beneficial owner.

A broker non-vote occurs when a broker or other nominee does not receive voting instructions from the beneficial owner and does not have the discretion to direct the voting of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting, but, in the absence of instructions, shares subject to such broker non-votes will not be counted for purposes of determining the number of votes present in person or represented by proxy and entitled to vote with respect to a particular proposal. Thus, a broker non-vote will not impact our ability to obtain a quorum.

In determining whether a proposal has received the requisite number of votes, broker non-votes will have no effect on the outcome of the vote on a proposal that requires a plurality of votes cast (Proposal 1) and will have no effect on the outcome of the vote on a proposal that requires the

affirmative vote of a majority of the shares present at the Annual Meeting, in person or by proxy, and entitled to vote (Proposals 3 and 4).

HOW TO VOTE

You may vote your shares by one of the following methods:

INTERNET: To vote your shares by Internet, please visit the website listed on your proxy card or voting instruction form and follow the on-screen instructions. If you vote by Internet, you do not need to mail your proxy card or voting instruction form.

MAIL: To vote your shares by mail, please follow the instructions on your proxy card or voting instruction form. Please be sure to sign and date your completed proxy card or voting instruction form before mailing. If you do not sign your proxy card or voting instruction form, your votes cannot be counted. Please mail your proxy card or voting instruction form in the pre-addressed, postage-paid envelope.

VOTE ONLINE DURING THE MEETING: You may vote online during the Annual Meeting by visiting the link www.meetingcenter.io/247518216. If you are the registered holder of your shares, meaning that you hold your shares through Computershare Investor Services ("Computershare"), our transfer agent, you do not need to register in advance for the Annual Meeting. The 15-digit control number provided on your Notice, proxy card or voting instruction form is necessary to access this site, as well as the password LCUT2020. If you hold your shares in "street name," meaning that you hold your shares through a broker, bank or other financial institution, please follow the directions below to register in advance for the Annual Meeting. Guests will not be able to vote during the Annual Meeting.

PARTICIPATING IN THE ANNUAL MEETING

You are entitled to participate in the Annual Meeting only if you were a stockholder of record or a beneficial owner of shares of our common stock as of the close of business on the Record Date, April 27, 2020, or you hold a valid proxy for the Annual Meeting. Our Annual Meeting will be a completely virtual meeting. There will be no physical meeting location. The meeting will be conducted only via live webcast. Guests may attend the meeting but will not be able to participate, vote, or ask questions.

To participate in the Annual Meeting, visit www.meetingcenter.io/247518216 and enter the 15-digit control number included on your Notice of Internet Availability of Proxy Materials, on your proxy card or on the instructions that accompanied your proxy materials, and the password LCUT2020. If you hold your shares in "street name," please contact the broker, bank, or other financial institution that holds your shares to receive proof of your beneficial ownership and submit such proof, along with your name and email information, to Computershare in advance of the Annual Meeting no later than 5:00 pm Eastern Time on June 15, 2020. Requests for registration must be labeled as "Legal Proxy," and may be submitted (i) via email to legalproxy@computershare.com by forwarding the email from your broker regarding your beneficial ownership or sending an image of your legal proxy, or (ii) sending proof of your beneficial ownership via mail to: Computershare, Lifetime Brands, Inc. Legal Proxy, P.O. Box 43001, Providence, Rhode Island 02940-3001. Upon receipt of such proof of beneficial ownership, Computershare will then register you for attendance at the virtual meeting and provide you with an email confirming your registration. The meeting will begin promptly at 10:30 a.m. (Eastern Time) on June 25, 2020. Participants should also give themselves plenty of time to log in and ensure that they can hear streaming audio prior to the start of the meeting.

If you are a stockholder and wish to submit questions prior to or during the meeting, log into the virtual meeting platform at www.meetingcenter.io/247518216. Questions pertinent to meeting matters will be answered during the meeting, subject to time constraints.

MAJORITY VOTING GOVERNANCE PRINCIPLE

Although our Bylaws provide for a plurality voting standard for the election of directors, our Board has adopted, as a governance principle, a majority voting standard for uncontested director elections and a plurality voting standard for contested director elections. For this purpose, a “majority of votes cast” means that the number of votes cast “for” a nominee’s election exceeds the number of votes cast “against” that nominee’s election. Accordingly, subsequent to the election of directors at the Annual Meeting, any elected director who is not elected by an affirmative vote of a majority of the votes cast at the Annual Meeting shall submit his or her resignation to our Board, to be effective upon the Board’s determination of whether to accept or reject the resignation. Upon receipt by our Board of such resignation, our Board shall, in its sole judgment and discretion, within 90 days from the submission of such director’s resignation as a director of the Company, determine whether to accept or reject such director’s resignation. If our Board rejects such director’s resignation as a director of the Company, then we shall prepare and file a Form 8-K to explain our Board’s rationale for its rejection of such director’s resignation.

PROXY SOLICITATION

We will bear the cost of preparing, printing, assembling and mailing the Notice, form of proxy, this Proxy Statement, the 2020 Annual Report and other materials that may be sent to stockholders in connection with this solicitation. We have retained Georgeson, a proxy solicitation firm, at an estimated cost of \$8,500 plus reimbursement of expenses, to assist in soliciting proxies from brokers, banks, nominees, and institutional holders. Georgeson may solicit votes personally or by telephone, mail or electronic means. In addition, Georgeson and certain related persons will be indemnified against certain liabilities arising out of or in connection with the engagement.

It is contemplated that brokerage houses will forward the proxy materials to beneficial holders at our request. In addition to the solicitation of proxies by the use of mail, our officers and other employees may solicit proxies personally, by telephone or by electronic means without being paid any additional compensation. We will reimburse such persons for their reasonable out-of-pocket expenses in accordance with the regulations of the Securities and Exchange Commission (“SEC”).

Our Board is currently composed of ten directors, eight of whom are independent of the Company. Our independent directors, and our governance practices, provide effective and independent oversight of management. The independent directors meet in periodic executive sessions, the results of which are discussed by the independent lead director with the Chief Executive Officer.

STOCK OWNERSHIP GUIDELINES

Our Board has adopted stock ownership guidelines applicable to our directors. Under these guidelines, a director must, on or prior to the deadline, own shares of our stock with a value in an amount equal to or in excess of three times the non-employee director annual cash retainer, with such value determined at the time of the receipt of the stock based on the amount paid or contributed by the director for the stock. The deadline is five years after the director's election or appointment to our Board. For the purpose of stock ownership guidelines, unexercised stock options are not considered in calculating stock ownership but restricted shares are included at the time the restriction lapses.

Our Board has also adopted stock ownership guidelines for our named executive officers, which are intended to align their long-term interests with those of our stockholders and to encourage a long-term focus in managing our Company. The requirements for named executive officers are expressed as a multiple of base salary. The Chief Executive Officer is required to maintain a minimum ownership of

three times his base salary. All other named executive officers are required to maintain one times their base salary. The named executive officers need to achieve the requirements within five years. Compliance with the guidelines will be determined based on the then-current base salary.

ANTI-HEDGING POLICY

We have a policy with respect to hedging in the company's securities that is contained in our Insider Trading Policy. In this regard, we prohibit our directors and executive officers from engaging in transactions that are designed to or have the effect of hedging or offsetting any decrease in the market value of our securities. With respect to employees of the Company that are not executive officers, the policy strongly discourages those employees from engaging in hedging transactions involving the Company's securities.

BOARD OVERSIGHT OF RISK

Our Board bears the responsibility for maintaining oversight over our exposure to risk. Our Board, itself and through its committees, meets with various members of management regularly and discusses our material risk exposures, the potential impact on us and the efforts of management it deems appropriate to deal with the risks that are identified. The Audit Committee considers our risk assessment and risk management practices including those relating to regulatory risks, financial liquidity and accounting risk exposure, reserves and our internal controls. The Nominating and Governance Committee considers the risks associated with our corporate governance principles and procedures with the guidance of corporate and outside counsel. Our Compensation Committee, in connection with the performance of its duties, considers risks associated with our compensation programs.

[Table of Contents](#)

Our Nominating and Governance Committee's procedures for identifying and evaluating candidates include requests for candidate recommendations from within the housewares industry and from outside independent professional advisors, as the case may be. In selecting a director nominee, our Nominating and Governance Committee focuses on skills, expertise and backgrounds that would complement those of the existing members of our Board, recognizing the nature of our business.

Directors are elected annually by our stockholders and serve until the next annual meeting of the stockholders and shall hold office until their successors have been duly elected and qualified or until their earlier resignation or removal.

Our Board has adopted, as a governance principle, a majority voting standard for uncontested director elections and a plurality voting standard for contested director elections. Any director elected by a plurality vote, as provided for in our Bylaws, at an annual meeting of our stockholders in an uncontested election who does not receive a majority of the votes cast at such annual meeting shall submit his or her resignation to our Board, to be effective upon the Board's determination of whether to accept or reject the resignation. Our Board shall then, in its sole judgment and discretion, within 90 days from submission of such director's resignation, determine whether to accept or reject such director's resignation. 2019 Performance Highlights

In 2019, the Company's core U.S. business performed solidly with growth over prior year in revenues and contribution margin. This was partially offset by challenges such as the impact of U.S. tariffs, Brexit uncertainty and a combination of reorganization costs and operational challenges in the Company's U.K. based European business. While these operational challenges had been addressed by January 2020, the negative impacts of these challenges offset the growth in the U.S. business and resulted in basically flat EBITDA for the year over year period. Despite relatively flat EBITDA performance, the Company did exceed its objective of cash flow generation and de-leveraging for the year, and there were a number of tangible benefits of the Company's 2019 strategic goals which included:

- Launched commercial food service business in the U.S. on a large scale.
- Implemented strategic program to drive business decisions for divisional wholesale U.S. business using common framework and metrics.
- Strengthened Investor Relations function and increased outreach to shareholder community.
- Restructured U.K. business with consolidation of eight warehouses into one.

The Compensation Committee acknowledges the efforts of the NEOs in helping the Company achieve the strategic objectives outlined above in 2019.

Say On Pay

In 2019, our Board provided stockholders with the opportunity to cast an advisory vote on executive compensation. At our most recent Annual Meeting of Stockholders held on June 27, 2019, approximately 96% of the votes cast, approved, on an advisory basis, the compensation of our NEOs. Although these votes were non-binding and advisory, our Compensation Committee believes that the outcome strongly affirms stockholder support of our approach to executive compensation. In view of the overwhelming support demonstrated by the stockholders, our Board and Compensation Committee are continuing their existing approach to determining executive compensation when considering executive compensation decisions.

COMPENSATION PHILOSOPHY AND OBJECTIVES

Our compensation program has historically been designed to attract, reward and retain capable executives and to provide incentives for the attainment of short-term performance objectives and strategic long-term performance goals. A number of key principles guide management and our Compensation Committee in determining compensation for hiring, motivating, rewarding and retaining executive officers who create both short-term and long-term stockholder value, including:

- A significant amount of compensation should be linked to measurable success in business performance;
- Management's interests should be aligned with those of the stockholders;
- Both short-term and long-term financial and business objectives should be incentivizing; and
- Compensation should be set at levels that will be competitive with the compensation offered by those companies against whom we compete for executive talent so that we are able to attract and retain experienced executives.

In an effort to balance the need to retain talent yet motivate executives to achieve superior performance, we have adopted a compensation philosophy that contains both fixed and variable elements of compensation. Our compensation philosophy is to reward executives with compensation aligned with our short-term and long-term financial goals and the establishment of performance targets that do not promote excessive risk-taking. The elements of our total executive compensation are base salary, cash bonus and stock incentives. The compensation program was designed to create a substantial percentage of variable compensation for executives, subject to increases or decreases based on the attainment of specified achievements and targets.

Our Compensation Committee uses its judgment in allocating compensation between long- and short-term incentives and cash and non-cash components. Although long-term incentives are considered of great significance in aligning performance with stockholder interests, they have traditionally been a smaller component of aggregate compensation. The Compensation Committee has also historically awarded larger long-term incentive compensation awards, as consideration for NEOs entering into a new employment agreement. Based on 2019 target compensation, long-term incentives for our Chief Executive Officer comprised 54% of his total compensation for 2019 (with 19% attributable to stock options, 20% attributable to restricted stock, and 15% attributable to performance share awards), while short-term incentives comprised 46% of his total compensation for 2019 (with 21% attributable to base salary, 24% attributable to annual bonus, and 1% attributable to other compensation). Based on 2019 target compensation, long-term incentives for all other NEOs (excluding Mr. Shiftan) comprised 26% of their total compensation for 2019 (with 24% attributable to restricted stock and 2% attributable to performance share awards), while short-term incentives comprised 74% of their total compensation for 2019 (with 34% attributable to base salary, 37% attributable to annual bonus, and 3% attributable to other compensation). In addition, based on 2019 target compensation, 39% of our Chief Executive Officer's 2019 compensation consisted of performance-based compensation and 38% of all other

[Table of Contents](#)

NEOs' 2019 compensation (excluding Mr. Shiftan) consisted of performance-based compensation (which, in each case, includes target annual bonus and the target award value of performance shares granted).

ROLE OF COMPENSATION COMMITTEE

Our Compensation Committee has the authority to review and approve compensation principles and practices that apply generally to our executives and senior employees. Our Compensation Committee reviews corporate goals and objectives relevant to the compensation of our Executive Chairman and Chief Executive Officer, evaluates their performance in light of the established goals and objectives and approves their annual compensation. It also reviews the corporate goals and objectives established by our Executive Chairman and Chief Executive Officer relevant to the compensation of all other executive officers and all direct reports of the Executive Chairman and Chief Executive Officer. Based primarily on the evaluations and recommendations of our Executive Chairman and Chief Executive Officer of the performance of such executive officers and direct reports in light of the established goals and objectives, our Compensation Committee approves their annual compensation. It also reviews the evaluation process and compensation structure for the other members of our senior management and provides oversight regarding management's decisions concerning the performance and compensation of such members of senior management. Our Compensation Committee takes into account and considers reports of its independent compensation consultant, Pearl Meyer & Partners, LLC ("Pearl Meyer"), as to the elements of compensation among our peer group of companies (discussed under Role of Compensation Consultant) and the proportion of each component relative to the total compensation.

ROLE OF COMPENSATION CONSULTANT

Our Compensation Committee has engaged Pearl Meyer as its independent outside compensation consultant to provide services related to executive and non-employee director compensation. Pearl Meyer does not provide other services unless approved by our Compensation Committee.

Pearl Meyer assists our Compensation Committee in its evaluation of our compensation philosophy and with the development of relevant metrics used by our Compensation Committee to assure internal pay equity and market parity. It also provides compensation data and information relative to our peer group.

As required under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, our Compensation Committee analyzed whether the services of Pearl Meyer could result in any conflicts of interest, giving consideration to the following factors:

- Pearl Meyer does not provide any services to us other than as approved by our Compensation Committee;
- The fees we paid amount to less than 1% of Pearl Meyer's total revenue for the applicable period;
- The policies and procedures of our Compensation Committee were designed to ensure independence;
- Pearl Meyer does not have any business or personal relationship with any of our executive officers or any member of our Compensation Committee; and
- Neither Pearl Meyer nor any of its consultants who provide services to our Compensation Committee own any of our stock.

Our Compensation Committee has determined that the services of Pearl Meyer, including the individual compensation advisors employed by it, have not created any conflicts of interest. On an annual basis, our Compensation Committee will continue to monitor the independence of its compensation consultant.

PEER GROUP DEVELOPMENT

Pearl Meyer developed a peer group of companies with characteristics generally comparable to our revenue and market capitalization for review and approval by our Compensation Committee. The peer group is comprised of the following companies:

- Acushnet Holdings Corp.
- Callaway Golf Company
- Crocs, Inc.
- Delta Apparel, Inc.
- Hamilton Beach Brands Holding Co.
- Helen of Troy Limited
- JAKKS Pacific, Inc.
- Johnson Outdoors Inc.
- Lands' End, Inc.
- Libbey Inc.
- Movado Group, Inc.
- Oxford Industries, Inc.
- The Buckle, Inc.
- Tupperware Brands Corp.

Our Compensation Committee believes that the companies included in the peer group are the most comparable public companies; however, most of our direct competitors are either smaller, international or privately-held. Our Compensation Committee considers the competitive data compiled by Pearl Meyer as reference points, but does not “benchmark” to specific pay levels when establishing goals and objectives relevant to our compensation policy.

ELEMENTS OF COMPENSATION

Salary

Salary is intended to compensate our executives for performance of core job responsibilities and duties.

The base salaries of Jeffrey Siegel, Robert B. Kay and Ronald Shifan are fixed by employment agreements that were negotiated between Messrs. Siegel, Kay and Shifan and our Compensation Committee. The amount and components of aggregate compensation for comparable positions in our peer group of companies were taken into account by our Compensation Committee in determining their compensation.

In determining Mr. Siegel's base salary, our Compensation Committee took into account Mr. Siegel's long-standing executive role with us, his extensive knowledge of and experience in the housewares industry and his role in directing our growth. Our Compensation Committee views Mr. Siegel as one of the most experienced and successful executives in the housewares industry.

In determining Mr. Kay's base salary, our Compensation Committee took into account Mr. Kay's role with Filament, as described above, and his role with us, his extensive knowledge of and experience in the housewares industry and his role in directing our growth.

In determining Mr. Shifan's base salary, our Compensation Committee took into account his significant role in developing, structuring and implementing our growth and acquisition strategies.

Table of Contents

The base salaries of Daniel Siegel and Laurence Winoker are also set forth in their employment agreements. The salaries set forth in their employment agreements were determined by the Chief Executive Officer and Chief Operating Officer, in consultation with our Compensation Committee, taking into consideration their roles and responsibilities within the Company, as well as the amount and components of aggregate compensation for comparable positions in our peer group of companies. Pursuant to the terms of Daniel Siegel's employment agreement, Mr. Siegel's annual rate of base salary was increased from \$512,500 to \$550,000 effective July 1, 2019.

Changes to Salary for 2020

In connection with certain cost reduction efforts in light of the effects of the COVID-19 pandemic on our business, our NEOs have voluntarily taken temporary base salary reductions. The base salaries of Messrs. Kay and Jeffrey Siegel were reduced by 20%, and the base salaries of Messrs. Daniel Siegel and Laurence Winoker were reduced by 12.5%. This reduction is effective during the period beginning on April 13, 2020 and ending on the earlier of October 1, 2020 or such time as the Board, in the case of Messrs. Kay and Jeffrey Siegel, and Mr. Kay, in the case of Messrs. Daniel Siegel and Laurence Winoker determines is appropriate. These temporary reductions will not apply to the calculation of any annual bonus or severance or termination payments under each NEO's employment agreement, which will be calculated based on the base salary in effect prior to the reductions. Additional information regarding these reductions is described in a Form 8-K filed on April 8, 2020.

Annual Bonuses

Annual bonuses are intended to compensate an executive for achievement of specific performance goals for a specified performance period and are based on achievement of a Company performance metric and individual performance goals. Bonuses are awarded pursuant to the Company's Amended and Restated 2000 Incentive Bonus Compensation Plan (the "2000 Bonus Plan") and each executive's employment agreement. For 2019, our Compensation Committee determined that the Company performance metric applicable to annual bonuses would be based on Adjusted EBITDA (as defined below), rather than our income before income taxes and equity in earnings ("Adjusted IBIT"), which served as the Company performance metric for prior years. All of our NEOs other than Mr. Shifan were eligible to receive annual bonuses for 2019. Pursuant to the terms of the Retirement Agreement (as defined below), Mr. Shifan was not eligible to receive an annual bonus for 2019.

The term "Adjusted EBITDA" means the Company's adjusted earnings before interest, taxes, depreciation, and amortization, as determined by the Company and derived from the Company's audited financial statements, adjusted to exclude equity in earnings of investments, non-cash goodwill impairment expense, non-cash share based compensation expense, non-cash inventory SKU rationalization charge, restructuring expenses, integration expenses, warehouse relocation expenses, and acquisition and divestment related expense.

Our Compensation Committee has determined that Adjusted EBITDA is an appropriate measure because the Company uses this financial measure in evaluating the Company's on-going financial results and trends. In addition, management uses this non-GAAP information as an indicator of business performance. It is also one of the measures used to calculate financial covenants required to be provided to the Company's lenders pursuant to its credit facilities. In determining to use Adjusted EBITDA as the Company performance metric, our Compensation Committee was also guided by the extent to which this metric is within the control of the respective named executive officer.

For the purpose of establishing the amount of the annual bonus payable based on Adjusted EBITDA for the NEOs entitled to annual bonuses, our Compensation Committee considered data provided by

[Table of Contents](#)

Pearl Meyer. Our Compensation Committee relied on our annual budget, which was approved by our Board, in establishing the thresholds, targets and maximum bonuses tied to achievement of these targets for our executives.

Each NEO's employment agreement provides for a target annual bonus based on Adjusted EBITDA ("Adjusted EBITDA Target Bonus") and a target annual bonus based on individual goal achievement ("Individual Goal Target Bonus").

The portion of the Adjusted EBITDA Target Bonus payable to each executive for each year (the "Annual Adjusted EBITDA Performance Bonus"), if any, is based on an Annual Adjusted EBITDA Performance Table prepared by our Compensation Committee and the annual budget reviewed and approved by the Board. If the target Adjusted EBITDA goal is achieved, the executive receives 100% of the Adjusted EBITDA Target Bonus; if threshold Adjusted EBITDA is achieved, the executive receives 50% of the executive's Adjusted EBITDA Target Bonus; and if maximum performance is achieved, in the case of Messrs. Kay, Jeffrey Siegel, and Winoker, the executive receives 200% of the Adjusted EBITDA Target Bonus, and in the case of Mr. Daniel Siegel, the executive receives 150% of the Adjusted EBITDA Target Bonus. Each executive is entitled to receive sliding scale percentages of the Adjusted EBITDA Target Bonus set forth in the Annual Adjusted EBITDA Performance Bonus Table based upon Adjusted EBITDA being more than the threshold Adjusted EBITDA but less than the target Adjusted EBITDA, or more than the target Adjusted EBITDA but less than the maximum Adjusted EBITDA. The Adjusted EBITDA Performance Bonus for any year will be zero if the Adjusted EBITDA achieved by the Company for such year is less than the threshold Adjusted EBITDA goal for such year, and in no event will an Annual Adjusted EBITDA Performance Bonus be more than 200% of the Adjusted EBITDA Target Bonus, in the case of Messrs. Kay, Jeffrey Siegel, and Winoker, and 150% of the Adjusted EBITDA Target Bonus in the case of Mr. Daniel Siegel.

The portion of the Individual Goal Target Bonus payable to each executive for each year (the "Annual Individual Goal Bonus"), if any, is determined based on the executive's satisfaction of individual performance objectives set by our Compensation Committee, in the case of Messrs. Kay and Jeffrey Siegel, and Mr. Kay in consultation with our Compensation Committee, in the case of Messrs. Daniel Siegel and Winoker. If each executive satisfies at least 50% of such objectives, he is entitled to an Annual Individual Goal Bonus equal to at least 50% of the Individual Goal Target Bonus, and if he meets less than 50% of such objectives, he is not entitled to receive any Annual Individual Goal Bonus. The individual goals established for each of the NEOs for 2019 are discussed below. At the end of the 2019 fiscal year, Messrs. Kay and Jeffrey Siegel prepared written materials for our Compensation Committee with their assessments of whether their respective individual goals were achieved during the year. Our Compensation Committee reviewed these materials and assessed independently the extent to which their individual goals were achieved.

For each NEO eligible to receive an annual bonus for 2019, the weighting for both of the Adjusted EBITDA and Individual Goal components are shown in the table below.

Executive	Adjusted EBITDA Weighting as a % of Target	Individual Goals Weighting as a % of Target
Robert Kay	78%	22%
Jeffrey Siegel	80%	20%
Daniel Siegel	67%	33%
Laurence Winoker	60%	40%

As set forth in detail in the table below, we achieved an Adjusted EBITDA of \$64.064 million for the 2019 fiscal year, which was above the threshold performance level of the plan of \$62.950 million but

[Table of Contents](#)

below the target level. Adjusted EBITDA for 2019 is equal to the Company's earnings before interest, taxes, depreciation, and amortization, as determined by the Company and derived from the Company's audited financial statements and adjusted to exclude equity in earnings of investments, non-cash goodwill impairment expense, non-cash share based compensation expense, non-cash inventory SKU rationalization charge, restructuring expenses, integration expenses, warehouse relocation expenses, and acquisition and divestment related expense. Adjusted EBITDA is a non-GAAP financial measure. A reconciliation of the Company's net income (the most directly comparable GAAP measure) to Adjusted EBITDA for 2019 is included in Appendix A.

Financial Metric	2019 Annual Bonus Metric and Achievement					
	Threshold Performance Level	Target Performance Level	Maximum Performance Level (D. Siegel and Winoker)	Maximum Performance Level (Kay and J. Siegel)	Actual Performance Achieved	Payout % of Adjusted EBITDA Target Bonus
Adjusted EBITDA	\$ 62,950,000	\$ 75,000,000	\$ 87,050,000	\$ 99,100,000	\$ 64,064,000	55%

Mr. Kay's individual goals for 2019 included: achieving efficiencies in UK operations; developing a strategic planning process; implementing the Strategic Thinking and Results Program (a program for line managers intended to focus business decisions based on a common framework and metrics) in every division in the U.S. wholesale business; strengthening the Company's investor relations program; developing a food service initiative in the U.S. market; developing a strategy for expansion in specific non-U.S. regions; and implementing a process for identifying and pursuing strategic acquisitions. Our Compensation Committee evaluated Mr. Kay's achievement of his individual goals and determined that at least 50% of the goals were met.

Mr. Jeffrey Siegel's individual goals for 2019 included: implementing methods to increase profitability and the Company's earnings before interest, taxes, depreciation, and amortization; enhancing the Company's relationships with certain retailers; exploring new business opportunities; and developing methodologies to improve sales of certain products. Our Compensation Committee evaluated Mr. Siegel's achievement of his individual performance goals and determined that at least 50% of the goals were met.

Mr. Daniel Siegel's individual goals for 2019 included: improving our core U.S. sales; refining the U.S. sales organization; re-focusing category management to strategic and marketing orientation; reducing costs related to meetings and trade shows; establishing methods of enhanced market research using research data analytics and reducing the costs of such market research to the Company; and enhancing sales strategies for certain lines of business. Our Chief Executive Officer, in consultation with our Compensation Committee, evaluated Mr. Siegel's achievement of his individual goals and determined that at least 50% of the goals were met.

Mr. Winoker's individual goals for 2019 included: restructuring the Company's accounting function to ensure accurate and timely financial reporting and control, redesign of the Company's internal management reports; redesign of the Company's financial planning and analysis function to reflect the Company's restructuring following the Filament acquisition; and assisting Mr. Kay in strengthening the Company's investor relations program. Our Chief Executive Officer, in consultation with our Compensation Committee, evaluated Mr. Winoker's achievement of his individual goals and determined that at least 50% of the goals were met.

Table of Contents

The Compensation Committee determined that in order to further incentivize retention, a portion of each NEO's annual bonus was paid in the form of restricted stock subject to a one year vesting period, rather than cash. Each NEO's 2019 annual bonus is set forth in the table below.

Executive	Annual Adjusted EBITDA Performance Bonus Achieved	Annual Individual Goal Bonus Achieved	Total Annual Bonus Achieved	Value of Cash Payment	Value of Restricted Shares Granted (1)	Number of Restricted Shares Granted	% of Target Award Achieved
Robert Kay	\$385,000	\$150,925	\$535,925	\$145,500	\$390,425	61,195	60%
Jeffrey Siegel	\$544,500	\$193,916	\$738,416	\$200,475	\$537,941	84,317	60%
Daniel Siegel	\$219,141	\$133,078	\$352,219	\$95,625	\$256,594	40,218	59%
Laurence Winoker	\$87,656	\$67,907	\$155,563	\$42,234	\$113,329	17,763	59%

(1) Based on the closing price per share on the date of grant of the restricted shares granted in lieu of cash and reflects approximately 73% of the total annual bonus achieved.

Equity Compensation

Equity compensation is intended to incentivize and to promote alignment between our employees and our stockholders. Additionally, performance shares reward executives if the Company achieves specified performance goals, and stock options and restricted stock incentivize retention based on the vesting period or the period during which the restrictions lapse, which generally ranges from one to four years.

Our Compensation Committee granted equity awards to Robert Kay, Jeffrey Siegel, Ronald Shiftan, Daniel Siegel and Laurence Winoker in connection with their entering into their respective employment agreements. In addition, each NEO generally receives an annual equity grant in connection with annual performance reviews based on an assessment of such person's individual performance and, where appropriate, the performance of such person's business unit (division), as well as our overall performance and the dilutive effect of the equity awards.

Our annual equity compensation program generally consists of a mix of 50% time-based restricted stock awards and 50% performance-based stock awards called performance shares. The performance shares provide an opportunity for shares to be earned at the end of a three-year performance period if pre-established financial goals are met. These goals have been tailored to be challenging to achieve, so as to incentivize our NEOs to maximize their performance. Net sales and adjusted EBITDA (each with a 50% weighting) were established as performance metrics for our performance share awards granted in 2017, 2018 and 2019, each with a three-year performance period. Following the Filament Acquisition, our Compensation Committee increased the net sales and adjusted EBITDA performance targets applicable to our performance share awards granted in 2017 and 2018 to account for the addition of Filament. The final number of shares earned pursuant to a performance share award is dependent on the cumulative net sales and cumulative adjusted EBITDA results over the three-year performance period with threshold, target and maximum awards equal to 75%, 100% and 150%, respectively, of the target number of performance shares awarded on the grant date. Consolidated Adjusted EBITDA is a non-GAAP financial measure. A reconciliation of Consolidated Adjusted EBITDA to the most directly comparable GAAP measure for 2019 is included in Appendix A.

Our performance shares granted in 2017 for the three-year performance period that ended on December 31, 2019, resulted in the following percentage payouts:

Performance Metrics	Weight	Target (in thousands)	Actual (in thousands)	% Target Achieved
Net Sales	50%	\$2,227,600	\$2,018,920	90.7%
Adjusted EBITDA	50%	\$210,000	157,925	75.2%

[Table of Contents](#)

Actual performance share awards earned for the 2017 performance cycle are shown in the table below for each executive.

<i>Executive</i>	<i>Performance Shares Target</i>	<i>Performance Shares Earned as a % of Target</i>	<i>Actual Performance Shares Earned</i>
Robert Kay (1)	-	-	-
Jeffrey Siegel	6,000	83%	4,978
Ronald Shiftan (2)	6,000	57%	3,407
Daniel Siegel	6,000	83%	4,978
Laurence Winoker	4,000	83%	3,319

(1) Mr. Kay was not employed by the Company at the time of grant for the 2017 performance cycle.

(2) Pursuant to the terms of the Retirement Agreement and Mr. Shiftan's deferred performance share agreement, payment of Mr. Shiftan's performance shares was pro-rated, based on the portion of the performance period that he was employed by the Company.

In addition to the typical annual equity awards described above, our Compensation Committee decided to grant to Mr. Kay an award of stock options, which vests over three years. In determining this grant, the Compensation Committee considered the following additional factors: Mr. Kay's assumption of direct responsibility for legal, finance, supply chain, and human resources functions in connection with Mr. Shiftan's retirement; Mr. Kay's continued leadership in connection with the integration of the Filament business, including his achievement of synergies in excess of budgeted amounts; and Mr. Kay's assumption of certain of Jeffrey Siegel's responsibilities over the three year vesting period of the award.

In lieu of the typical annual equity awards described above, Mr. Jeffrey Siegel received a restricted stock award in connection with entering into a new employment agreement with us and did not receive any performance shares. The restricted stock award vests in equal installments over the term of the new employment agreement with one-third of the award vesting on each of December 31, 2020, December 31, 2021, and December 31, 2022.

Other Compensation

We maintain a defined contribution 401(k) plan for all employees, including the NEOs. We also offer perquisites that we believe are customary and reasonable, such as Company-paid automobile expenses, and with respect to Messrs. Jeffrey Siegel, Kay and Shiftan, reimbursement or payment of certain insurance and professional expenses.

ACCOUNTING AND TAX CONSIDERATIONS

Section 162(m) of the Internal Revenue Code (the "Code") generally disallows a tax deduction to public companies for compensation in excess of \$1 million paid to any of the company's chief executive officer and certain other executive officers. Prior to the effectiveness of the 2017 Tax Cut and Jobs Act, performance-based compensation satisfying certain requirements was not subject to this deduction limitation. Effective January 1, 2018, the performance-based compensation exception is not available to public companies, except for certain limited grandfathered arrangements. We periodically review potential consequences of Section 162(m).

POLICY REGARDING RESTATEMENTS

We do not have a formal policy regarding adjustment or recovery of awards or payments if the relevant performance measures upon which they are based are restated or otherwise adjusted in a manner that would reduce the size of the award or payment. Under those circumstances, our Board or our Compensation Committee would evaluate whether adjustments or recoveries of awards would be appropriate based upon the facts and circumstances surrounding the restatement. We will comply with any future regulatory requirements as mandated under the Dodd-Frank Act as they become effective.

COMPENSATION COMMITTEE REPORT

Our Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based on this review and discussion, our Compensation Committee recommended to our Board of Directors that the Compensation Discussion and Analysis be included in our Proxy Statement.

COMPENSATION RISK MANAGEMENT

The Company has reviewed its compensation policies and practices and concluded that any risks arising from the Company's policies, plans and programs are not reasonably likely to have a material adverse effect on the Company. The Company reviewed the elements of compensation to determine whether any portion of the compensation programs encouraged excessive risk-taking and concluded:

- the allocation of compensation between cash compensation and equity compensation, combined with the vesting schedule under the equity plan, discourages short-term risk-taking; and
- the approach to goal setting, setting of targets with payouts at multiple levels of performance, capping the amount of the Company's incentive payouts, and the evaluation of performance results assist in mitigating excessive risk-taking.

To complement the existing risk-reducing features of the Company's compensation policies and practices, the Company has stock ownership guidelines and an anti-hedging policy.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

The employment agreements that we have entered into with each of the NEOs require us to make certain payments to these individuals in the event of a termination of their employment or a change of control of the Company. We believe that the arrangements with respect to a change of control are appropriate to allow the NEOs to focus on our interests in a change of control situation without distractions relating to their employment. Notwithstanding provisions contained in the respective NEO's employment agreements, all equity awards are subject to the provisions of the Amended and Restated 2000 Long-Term Incentive Plan, as it may be amended from time to time.

The following table shows estimated payments that would have been made to each of our NEOs pursuant to their employment agreements and outstanding equity award agreements as of December 31, 2019 under various scenarios involving a termination of employment or a change of control of the Company, assuming that each individual's employment was terminated or a change of control of the Company had occurred on December 31, 2019 and using the closing market price of our common stock as of December 31, 2019:

Notes:

- (1) The term of Mr. Siegel's employment agreement would have expired on December 31, 2019 if we had provided 180 days notice of non-renewal. Because no such notice was provided, these termination tables assume that the term of Mr. Siegel's employment agreement was extended for an additional one year. Mr. Siegel's new employment agreement became effective on January 1, 2020. For more information, see the discussion of the J. Siegel 2020 Employment Agreement under *Employment Agreements of NEOs*.
- (2) Includes the vesting at target value of performance shares with open performance periods as of December 31, 2019, which would vest in the event of such termination within 24 months following a Change of Control.
- (3) \$800,000 of such cash severance amount would be payable to Mr. Kay pursuant to his current employment agreement if his employment was terminated by non-renewal upon the expiration of the term of his employment under his employment agreement.
- (4) \$3,197,215 of such cash severance amount would be payable to Mr. Siegel pursuant to his employment agreement if his employment was terminated by non-renewal upon the expiration of the term of his employment under his employment agreement.
- (5) Mr. Shiftan's employment terminated on March 15, 2019 on account of his retirement. The amounts in the table reflect the termination payments and benefits payable to Mr. Shiftan pursuant to the terms of the Retirement Agreement, which are further described below. Mr. Shiftan's outstanding performance shares granted in 2017 remained outstanding following his retirement, and he was entitled to vest in a pro-rated portion of the amount of such shares that would have otherwise vested based on achievement of performance goals. In March 2020, Mr. Shiftan became vested in 3,407 performance shares.
- (6) \$550,000 of such cash severance amount would be payable to Mr. Siegel pursuant to his employment agreement if his employment was terminated by non-renewal upon expiration of the term of his employment under his employment agreement.
- (7) \$425,000 of such cash severance amount would be payable to Mr. Winoker pursuant to his employment agreement if his employment was terminated by non-renewal upon expiration of the term of his employment under his employment agreement.

Robert B. Kay

The Kay Employment Agreement contains the following provisions regarding the termination of Mr. Kay's employment and a change of control of the Company.

Termination for Cause; Resignation Without Good Reason

If Mr. Kay's employment is terminated by us for Cause or if Mr. Kay resigns other than for Good Reason (in each case, as defined by the Kay Employment Agreement), Mr. Kay will be entitled to be paid the following amounts (collectively, the "Kay Accrued Obligations"):

- His base salary accrued up to and including the date of termination or resignation of his employment;
- An amount in lieu of any accrued but unused vacation time;
- The amount of any unreimbursed expenses; and
- All benefits that are accrued and vested through the date of termination under all employee benefit plans of the Company.

Death

If Mr. Kay's employment terminates on account of his death, then Mr. Kay's estate will receive the Kay Accrued Obligations plus any Pro-Rated Performance Bonus accrued through the date of his termination of employment. The "Pro-Rated Performance Bonus" for a particular fiscal year is the amount equal to the Annual Adjusted EBITDA Performance Bonus for the fiscal year that would have been payable to Mr. Kay, if his employment had not terminated during the year, pro-rated for the months during the year preceding the termination.

Termination Due to Disability

If Mr. Kay's employment terminates on account of Total Disability (as defined by the Kay Employment Agreement), then in addition to the Kay Accrued Obligations, Mr. Kay will receive, conditioned on his execution and non-revocation of a release of claims against the Company, continued payments of base salary for six months following his termination of employment (except that payment will be made in a lump sum if Mr. Kay's termination due to Total Disability occurs within two years following a "Change of Control", as defined by the Kay Employment Agreement) and any Pro-Rated Performance Bonus (as defined above) accrued through the date of his termination.

Termination by the Company without Cause; Resignation by the Executive for Good Reason

If Mr. Kay's employment is terminated (i) by us without Cause or (ii) by Mr. Kay for Good Reason, in each case outside of the context of a Change of Control, then in addition to the Kay Accrued Obligations, Mr. Kay will receive, conditioned on his execution and non-revocation of a release of all claims against the Company:

- Reimbursement for certain medical and dental expenses set forth in the Kay Employment Agreement for a period of 12 months;
- 2.0 times Mr. Kay's base salary as in effect at the date of termination payable over a period of 24 months following the date of termination;
- The Pro-Rated Performance Bonus for the fiscal year in which termination occurs, payable at the same time as the performance bonus for such fiscal year would otherwise have been paid;
- 2.0 times an amount equal to 112.5% of Mr. Kay's annual base salary in effect at the time of termination (such amount, the "Kay Target Bonus") payable within 60 days following the termination date; and
- Mr. Kay's then-outstanding stock options will immediately vest and become exercisable in their entirety and all restrictions on his shares of restricted stock will immediately terminate, subject to the terms of the LTIP.

Termination upon Expiration of Term

If Mr. Kay's employment is terminated by reason of our failure to renew his employment agreement, outside the context of a Change of Control, then in addition to the Kay Accrued Obligations, Mr. Kay will receive, conditioned upon his execution and non-revocation of a release of all claims against the Company:

- Reimbursement for certain medical and dental benefits set forth in the Kay Employment Agreement for a period of 12 months;
- 1.0 times Mr. Kay's base salary as in effect at the date of termination payable over a period of 12 months following the date of termination;
- The Annual Adjusted EBITDA Performance Bonus for the fiscal year in which termination occurs, payable at the same time as the Annual Adjusted EBITDA Performance Bonus for such fiscal year would otherwise have been paid; and
- Mr. Kay's then-outstanding stock options will immediately vest and become exercisable in their entirety and all restrictions on his shares of restricted stock will immediately terminate, subject to the terms of the LTIP.

Termination by the Company without Cause or on account of Non-Renewal, Resignation by the Executive for Good Reason in Connection with Certain Changes of Control

If Mr. Kay's employment is terminated by Mr. Kay for Good Reason or by us without Cause or by us upon expiration of the term following delivery of a notice of non-renewal, in each case upon or within two years following a Change of Control, then in addition to the Kay Accrued Obligations, Mr. Kay will receive, conditioned upon his execution and non-revocation of a release of all claims against the Company:

- Reimbursement for certain medical and dental benefits set forth in the Kay Employment Agreement for a period of 12 months;

Table of Contents

- 2.0 times Mr. Kay's annual base salary in effect at the effective date of the Change of Control, or if greater, 2.0 times his annual base salary in effect as of his termination of employment payable in a lump sum within 60 days following the date of termination;
- The Pro-Rated Performance Bonus for the fiscal year in which termination occurs, payable at the same time as the Annual Adjusted EBITDA Performance Bonus for such fiscal year would otherwise have been paid;
- 2.0 times the Kay Target Bonus, using the greater of Mr. Kay's base salary in effect at the time of termination and base salary in effect at the time of the Change of Control, payable in a lump sum within 60 days following the date of termination; and
- Mr. Kay's then-outstanding stock options will vest and become immediately exercisable and all restrictions on his shares of restricted stock will immediately terminate, subject to the terms of the LTIP.

If Mr. Kay's employment is terminated by Mr. Kay for Good Reason or by us without Cause or upon expiration of the term following delivery of a notice of non-renewal, and in each case, within 90 days following such termination, a Change of Control occurs, then Mr. Kay will be entitled to receive a payment equal to the excess of the base salary severance payments that would have been due to him had he been terminated within two years following a Change of Control, less the amount of base salary severance payments already paid to him. Additionally, in the event that termination is on account of our delivery of a notice of non-renewal, Mr. Kay will be entitled to receive two times the Kay Target Bonus, and both amounts are payable within 60 days following the Change of Control.

If all or any portion of the payments and benefits would constitute a "parachute payment" within the meaning of Section 280G of the Code (or a similar or successor provision), we will reduce such payments to the extent necessary so that (i) no portion thereof will be subject to the excise tax imposed by Section 4999 of the Code (or a similar or successor provision) and (ii) by reason of such reduction, the net after-tax benefit to Mr. Kay will exceed the net after-tax benefit to him if such reduction were not made.

Jeffrey Siegel

If Mr. Siegel's employment is terminated (i) by us for any reason other than Cause, (ii) by Mr. Siegel for Good Reason, in the case of (i) or (ii), outside the context of a "Change of Control," as defined by the J. Siegel Amended and Restated Employment Agreement, (iii) by us or Mr. Siegel due to Mr. Siegel's Disability (as defined by the J. Siegel Amended and Restated Employment Agreement) or (iv) by reason of Mr. Siegel's death (collectively, a "Siegel Involuntary Termination"), Mr. Siegel will be entitled to payment of the J. Siegel Accrued Obligations, and subject to Mr. Siegel's execution and non-revocation of a release of claims against the Company (except in the case of death), he will receive the following severance payments (the "J. Siegel Severance Payments"):

- 3.0 times Mr. Siegel's base salary;
- 3.0 times the "J. Siegel Target Bonus," which includes both Mr. Siegel's Annual Individual Goal Bonus and Annual Adjusted EBITDA Performance Bonus, in effect for the year in which the termination occurs; and
- If termination occurs on or prior to June 30 of any year, a pro-rated amount of Mr. Siegel's Annual Adjusted EBITDA Performance Bonus for the year in which such Siegel Involuntary Termination occurs, and if termination occurs on or following July 1 of any year, the Annual Adjusted EBITDA Performance Bonus for the year in which such Siegel Involuntary Termination occurs (without pro-ration).

These payments will be made in a lump sum within 60 days of termination, except for the payment in respect of Mr. Siegel's Annual Adjusted EBITDA Performance Bonus, which will be paid in calendar year following termination. In addition, Mr. Siegel will continue to participate, at our expense, in our health and medical plans and in any other benefits provided by us to Mr. Siegel at the time of such Involuntary Termination until the end of the term of his employment under the J. Siegel Amended and Restated Employment Agreement or until Mr. Siegel obtains other employment, whichever occurs first. All of Mr. Siegel's then outstanding stock options will be immediately vested and exercisable and the restrictions on his restricted stock will immediately terminate, to the extent permitted under the LTIP.

Solely in the event Mr. Siegel's employment is terminated on account of his death or Disability, then in addition to the payments and benefits described above, he will also be eligible to receive any death or disability benefits (as applicable) that are provided under the terms of any pension, medical, disability and life insurance plan applicable to Mr. Siegel.

Siegel Involuntary Termination or Termination on Account of Non-Renewal in Connection with Certain Changes of Control

If, during the term of his employment, we undergo a Change of Control and either (i) Mr. Siegel's employment is, within two years thereafter, terminated under circumstances that would constitute a Siegel Involuntary Termination or Mr. Siegel's employment is terminated upon expiration of the term following a notice of non-renewal provided by us, or (ii) Mr. Siegel undergoes a Siegel Involuntary Termination or Mr. Siegel's employment is terminated upon expiration of the term following a notice of non-renewal provided by us and within 90 days of the Siegel Involuntary Termination or such expiration of the term we execute a definitive agreement to enter into a transaction the consummation of which would result in a Change of Control and such transaction is actually consummated, then Mr. Siegel will be entitled to all payments and benefits as described above with respect to a Siegel Involuntary Termination, calculated using the J. Siegel Target Bonus for the year in which the Change of Control occurs, and using the greater of Mr. Siegel's base salary in effect at the time of termination and base salary in effect at the time of the Change of Control. These payments and benefits, other than the J. Siegel Accrued Obligations, are conditioned upon Mr. Siegel's execution and non-revocation of a release of all claims against the Company. If all or any portion of the payments and benefits made in connection with such termination would constitute a "parachute payment" within the meaning of Section 280G of the Code (or a similar or successor provision), we will reduce such payments to the extent necessary so that (i) no portion thereof will be subject to the excise tax imposed by

Table of Contents

Section 4999 of the Code (or a similar or successor provision); and (ii) by reason of such reduction, the net after-tax benefit to Mr. Siegel will exceed the net after-tax benefit to him if such reduction were not made.

Termination upon Expiration of Term

If Mr. Siegel's employment is terminated by reason of the expiration of the term of his employment under his employment agreement other than in connection with a Change of Control as described above, Mr. Siegel will be entitled to payment of the J. Siegel Accrued Obligations. In addition, and subject to Mr. Siegel's execution and non-revocation of a release of claims against the Company, Mr. Siegel will be entitled to the following severance payments and benefits:

- 2.0 times Mr. Siegel's base salary; and
- 2.0 times the average of the sum of the Annual Adjusted EBITDA Performance Bonus and the Annual Individual Goal Bonus paid by us to Mr. Siegel, with respect to the year ending on the date on which Mr. Siegel's employment is terminated by reason of the expiration of the term and each of the two immediately preceding years.

Both payments will be paid in a lump sum. The first payment will be made within 60 days of termination, and the second payment will be paid in the calendar year following termination. In addition, all of Mr. Siegel's then-outstanding stock options will be immediately vested and exercisable and the restrictions on his restricted stock will immediately terminate.

Continuation of Life Insurance

Pursuant to the J. Siegel Amended and Restated Employment Agreement, following any termination of Mr. Siegel's employment (other than for Cause or by reason of his death), we will continue to provide reimbursement for the premiums on the life insurance policies on the life of Mr. Siegel that we are required to provide reimbursement for pursuant to the J. Siegel Amended and Restated Employment Agreement immediately prior to such termination. If Mr. Siegel's employment is terminated for any reason other than by reason of his death, Mr. Siegel will have the right to assume the life insurance policies in his name owned by the Company.

Ronald Shiftan

Upon the Retirement Date, Mr. Shiftan was entitled to receive his base salary accrued up to and including the date of termination of employment, payment for any accrued but unused vacation time, and any unreimbursed expenses (collectively, the "Shiftan Accrued Obligations"). In addition, subject to Mr. Shiftan's execution and non-revocation of a release of claims against the Company, Mr. Shiftan became entitled to receive the following payments and benefits pursuant to the Shiftan Employment Agreement, as amended by the Retirement Agreement:

- A lump sum payment equal to \$1, 077,091, which is the sum of \$650,000 and the average of the bonuses paid to Mr. Shiftan for each of 2016, 2017 and 2018;
- All restrictions on outstanding shares of restricted stock lapsed;
- Performance shares remain outstanding and will vest to the extent that the applicable performance goals are achieved, but will be pro-rated for the portion of the performance period ending on the Retirement Date;
- Reimbursement of six months of rental payments on an apartment that Mr. Shiftan maintains near the Company's principal offices; and
- Mr. Shiftan continued to serve out the remainder of his term as a member of the Board.

Mr. Shiftan also received 2,172 shares of restricted stock on April 3, 2019 as director compensation due to his change in status as of March 16, 2019 to a non-employee director. However, these shares were forfeited upon Mr. Shiftan's termination from the Board on June 28, 2019.

Daniel Siegel

The D. Siegel Employment Agreement contains the following terms regarding the termination of Mr. Siegel's employment and a change of control of the Company.

Termination for Cause; Resignation without Good Reason

If Mr. Siegel's employment is terminated by us for Cause or by Mr. Siegel without Good Reason (in each case, as defined by the D. Siegel Employment Agreement), Mr. Siegel will be entitled to be paid the following amounts (collectively, "D. Siegel Accrued Obligations"):

- His base salary for the period accrued up to and including the date of termination of his employment;
- An amount in lieu of any accrued but unused vacation time;
- The amount of any unreimbursed expenses; and
- All benefits that are accrued and vested through the date of termination under all employee benefit plans of the Company.

Death

If Mr. Siegel's employment terminates on account of his death, then Mr. Siegel's estate will receive the D. Siegel Accrued Obligations plus any Pro-Rated Performance Bonus accrued through the date of his termination of employment. The "Pro-Rated Performance Bonus" for a particular fiscal year is the amount equal to the Annual Adjusted EBITDA Performance Bonus for the fiscal year that would have been payable to Mr. Siegel, if his employment had not terminated during the year, pro-rated for the months during the year preceding the termination.

Termination Due to Disability

If Mr. Siegel's employment terminates on account of Total Disability (as defined by the D. Siegel Employment Agreement), then in addition to the D. Siegel Accrued Obligations, Mr. Siegel will receive, conditioned upon his execution and non-revocation of an effective release of all claims against the Company, continued payments of base salary for six months following his termination of employment (except that payment will be made in a lump sum if Mr. Siegel's termination due to Total Disability occurs within two years following a Change of Control, as defined by the D. Siegel Employment Agreement) and any Pro-Rated Performance Bonus accrued through the date of his termination.

Termination by the Company without Cause; Resignation by the Executive for Good Reason

If (i) Mr. Siegel's employment is terminated by us without Cause, or (ii) Mr. Siegel's employment is terminated by Mr. Siegel for Good Reason, in each case outside of the context of a Change of Control, then in addition to the D. Siegel Accrued Obligations, Mr. Siegel will receive, conditioned upon his execution and non-revocation of a release of all claims against the Company:

- Certain medical and dental benefits set forth in the D. Siegel Employment Agreement for a period of 12 months;
- 2.0 times Mr. Siegel's base salary as in effect at the date of termination payable over a period of 24 months following the date of termination;
- The Pro-Rated Performance Bonus for the fiscal year in which the termination occurs, payable at the same time as the Performance Bonus for such fiscal year would otherwise have been paid;
- 2.0 times an amount equal to 112.5% of Mr. Siegel's annual base salary in effect at the time of termination (such amount, the "D. Siegel Target Bonus") payable within 60 days following termination; and
- Mr. Siegel's then-outstanding stock options will immediately vest and become exercisable in their entirety and all restrictions on his shares of restricted stock will immediately terminate, subject to the terms of the LTIP.

Termination upon Expiration of Term

If Mr. Siegel's employment is terminated by reason of our failure to renew the term of his employment under his employment agreement, then in addition to the D. Siegel Accrued Obligations, Mr. Siegel will be entitled to receive, conditioned on his execution and non-revocation of a release of all claims against the Company:

- Certain medical and dental benefits set forth in the D. Siegel Employment Agreement for a period of 12 months;
- 1.0 times Mr. Siegel's base salary as in effect at the date of termination payable over a period of 12 months following the date of termination;
- The Annual Adjusted EBITDA Performance Bonus for the fiscal year in which termination occurs; and
- Mr. Siegel's then-outstanding stock options will immediately vest and become exercisable in their entirety and all restrictions on his shares of restricted stock will immediately terminate, subject to the terms of the LTIP.

Termination by the Company without Cause or on Account of Non-Renewal in Connection with Certain Changes of Control, Resignation by the Executive for Good Reason in Connection with Certain Changes of Control

If Mr. Siegel's employment is terminated by Mr. Siegel for Good Reason or by us without Cause or upon expiration of the term following our delivery of a notice of non-renewal, in each case upon or within two years following a Change of Control, then in addition to the D. Siegel Accrued Obligations, Mr. Siegel will be entitled to receive, conditioned on his execution and non-revocation of a release of all claims against the Company:

- Certain medical and dental benefits set forth in his employment agreement for a period of 12 months;
- 2.0 times his annual base salary in effect at the effective date of the Change of Control, or if greater, 2.0 times his annual base salary in effect as of his termination of employment, payable in a lump sum within 60 days following termination;
- The Pro-Rated Performance Bonus for the fiscal year in which termination occurs, payable at the same time as the Annual Adjusted EBITDA Performance Bonus for such fiscal year would otherwise have been paid;
- 2.0 times the D. Siegel Target Bonus, using the greater of Mr. Siegel's base salary in effect at the time of termination and base salary in effect at the time of the Change of Control, payable in a lump sum within 60 days following termination; and
- All of Mr. Siegel's then-outstanding stock options will vest and become immediately exercisable and all restrictions on his shares of restricted stock granted will immediately terminate, subject to the terms of the LTIP.

If Mr. Siegel's employment is terminated by Mr. Siegel for Good Reason or by us without Cause or upon expiration of the term following our delivery of a notice of non-renewal, and in each case, within 90 days following such termination, a Change of Control occurs, then Mr. Siegel will be entitled to receive a payment equal to the excess of the base salary severance payments that would have been due to him had he been terminated within two years following a Change of Control, less the amount of base salary severance payments already paid to him. Additionally, in the event that termination is on account of our delivery of a notice of non-renewal, Mr. Siegel will be entitled to receive two times the D. Siegel Target Bonus, payable within 60 days following the Change of Control.

If all or any portion of the payments and benefits would constitute a "parachute payment" within the meaning of Section 280G of the Code (or a similar or successor provision), we will reduce such payments to the extent necessary so that (i) no portion thereof will be subject to the excise tax imposed by Section 4999 of the Code (or a similar or successor provision) and (ii) by reason of such reduction,

the net after-tax benefit to Mr. Siegel will exceed the net after-tax benefit to him if such reduction were not made.

Laurence Winoker

The Winoker Employment Agreement contains the following terms regarding the termination of his employment and a change of control of the Company.

Termination for Cause; Resignation Without Good Reason

If Mr. Winoker's employment is terminated by us for Cause or by Mr. Winoker without Good Reason (in each case, as defined by the Winoker Employment Agreement), Mr. Winoker will be entitled to the following (collectively, the "Winoker Accrued Obligations"):

- His base salary accrued up to and including the date of termination of his employment;
- An amount in lieu of any accrued but unused vacation time;
- The amount of any unreimbursed expenses; and
- Any vested rights that Mr. Winoker may have pursuant to any insurance or other death benefit, bonus, retirement, or stock award plans or arrangements of the Company or any other employee benefit program.

Death

If Mr. Winoker's employment is terminated by reason of Mr. Winoker's death, then Mr. Winoker's estate will receive the Winoker Accrued Obligations. In addition, if Mr. Winoker's employment is terminated prior to December 1 of any year, Mr. Winoker's estate will receive any Pro-Rated Adjusted EBITDA Performance Bonus accrued through the date of termination of employment. The "Pro-Rated Adjusted EBITDA Performance Bonus" for a particular fiscal year is the amount equal to the Adjusted EBITDA Performance Bonus for the fiscal year that would have been payable to Mr. Winoker by the Company, as determined by the Board, if Mr. Winoker's employment had not terminated during the year, pro-rated for the months during the year preceding the termination.

Termination Due to Disability

If Mr. Winoker's employment is terminated on account of Total Disability (as defined by the Winoker Employment Agreement), then in addition to the Winoker Accrued Obligations, Mr. Winoker will receive, conditioned on his execution and non-revocation of a release of all claims against the Company, continued payments of his base salary for a period of six months following the date of termination, and if such termination occurs prior to December 1, the Pro-Rated Bonus for the year of termination.

Termination by the Company without Cause, Resignation by the Executive for Good Reason

If (i) Mr. Winoker's employment is terminated by us without Cause, or (ii) Mr. Winoker's employment is terminated by Mr. Winoker for Good Reason, in each case outside of the context of a Change of Control (as defined by the Winoker Amended and Restated Employment Agreement), then in addition to the Accrued Obligations, Mr. Winoker will be entitled to receive, conditioned on his execution and non-revocation of a release of all claims against the Company:

- Certain medical and dental benefits set forth in Winoker Amended and Restated Employment Agreement for a period of 12 months;
- 2.0 times Mr. Winoker's base salary as in effect at the date of termination payable over a period of 24 months from the date of termination;
- The Pro-Rated Annual Bonus for the fiscal year in which termination occurs, payable at the same time as the Performance Bonus for such fiscal year would otherwise have been paid. The "Pro-Rated Annual Bonus" for a particular fiscal year is the amount equal to the annual bonus for

the fiscal year that would have been payable to Mr. Winoker by the Company, as determined by the Board, if Mr. Winoker's employment had not terminated during the year, pro-rated for the months during the year preceding the termination; and

- 2.0 times an amount equal to 62.5% of Mr. Winoker's annual base salary in effect at the time of termination (such amount, the "Winoker Target Bonus"), payable within 60 days following termination.

Mr. Winoker's then-outstanding stock options will immediately vest and become exercisable in their entirety and all restrictions on his shares of restricted stock will immediately terminate, subject to the terms of the LTIP.

Termination Upon Expiration of Term

If Mr. Winoker's employment is terminated by reason of our failure to renew the Winoker Amended and Restated Employment Agreement, outside the context of a Change of Control, then in addition to the Accrued Obligations, Mr. Winoker will receive, conditioned on his execution and non-revocation of a release of all claims against the Company:

- Reimbursement for certain medical and dental benefits set forth in the Winoker Amended and Restated Employment Agreement for a period of 12 months;
- An amount equal to Mr. Winoker's base salary as in effect upon termination, payable over a period of 12 months from the date of termination; and
- The annual bonus for the fiscal year in which the effective date of the termination occurs, payable at the same time as the annual bonus for such fiscal year would otherwise have been paid.

Mr. Winoker's then-outstanding stock options will immediately vest and become exercisable and all restrictions on shares of restricted stock granted by us to Mr. Winoker will immediately terminate, subject to the terms of the LTIP.

Termination by the Company without Cause or on Account of Non-Renewal, Resignation by the Executive for Good Reason in Connection with Certain Changes of Control

If, during the term of Mr. Winoker's employment, Mr. Winoker is terminated by the Company without Cause, Mr. Winoker voluntarily terminates his employment for Good Reason, or Mr. Winoker's employment terminates upon expiration of the term following a notice of non-renewal provided by us, in each case upon or within two years following a Change of Control, then in addition to the Winoker Accrued Obligations, Mr. Winoker will be entitled to receive, conditioned upon his execution and non-revocation of a release of all claims against the Company:

- Reimbursement for certain medical and dental benefits set forth in the Winoker Amended and Restated Employment Agreement for a period of 12 months.
- A cash payment equal to 200% of Mr. Winoker's base salary in effect at the effective date of the Change of Control or if greater, 200% of Mr. Winoker's base salary in effect at the effective date of termination, payable in a lump sum within 60 days following termination;
- The Pro-Rated Performance Bonus for the fiscal year in which termination occurs, payable at the same time as the annual bonus for such fiscal year would otherwise have been paid; and
- 2.0 times the Winoker Target Bonus, using the greater of Mr. Winoker's annual base salary in effect at the time of termination and annual base salary in effect at the time of the Change of Control, payable in a lump sum within 60 days following termination.

All of Mr. Winoker's then-outstanding stock options will vest and become immediately exercisable and all restrictions on his shares of restricted stock will immediately terminate, subject to the terms of the LTIP.

In the event that Mr. Winoker's employment is terminated by Mr. Winoker for Good Reason or by us without Cause or upon expiration of the term following delivery of a notice of non-renewal provided by us, and in each case, within 90 days of the termination, we execute a definitive agreement to enter into

a transaction the consummation of which would result in a Change of Control and such transaction is actually consummated, then Mr. Winoker will be entitled to receive a payment equal to the excess of the base salary severance payments that would have been due to him had he been terminated within two years following a Change of Control, less the amount of base salary severance payments already paid to him. Additionally, in the event that termination is on account of our delivery of a notice of non-renewal, Mr. Winoker will be entitled to receive two times the Winoker Target Bonus within 60 days following the date of the Change of Control.

If all or any portion of the payments and benefits would constitute a “parachute payment” within the meaning of Section 280G of the Code (or a similar or successor provision), we will reduce such payments to the extent necessary so that (i) no portion thereof will be subject to the excise tax imposed by Section 4999 of the Code (or a similar or successor provision) and (ii) by reason of such reduction, the net after-tax benefit to Mr. Winoker will exceed the net after-tax benefit to him if such reduction were not made.

Pay Ratio

In accordance with Item 402(u) of Regulation S-K, the Company is providing the following information about the relationship of the annual total compensation of our employees and the annual total compensation of Mr. Robert Kay, our Chief Executive Officer (our “CEO”) in fiscal 2019:

- The median of annual compensation of all employees excluding the CEO—\$34,654.82
- The annual total compensation of the CEO in 2019 – \$3,004,661.00
- The ratio of the CEO’s annual total compensation to the median employee’s compensation – 86.7:1

In order to determine the median employee from a compensation perspective, the Company collected cash compensation (salary and cash bonuses) paid in 2019 for all employees worldwide that were compensated during 2019, as of December 31, 2019 (the “determination date”). For those employees compensated in foreign currencies, exchange rates at year-end were used to convert their compensation into U.S. dollars. To determine the ratio disclosed above, the Company calculated the median employee’s compensation for fiscal 2019 in accordance with the rules applicable to the compensation elements included in the Summary Compensation Table and compared such compensation to the compensation of our CEO, Mr. Robert Kay set forth in the Summary Compensation Table.

*Proposal No. 2***RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2020**

Our Audit Committee appointed the firm of Ernst & Young LLP (“Ernst & Young”) as the independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2020. Ernst & Young has audited our financial statements since 1984.

Our Audit Committee has adopted a policy that requires advance approval of all audit, audit-related and tax services and other services performed by the independent auditor. The policy provides for pre-approval by our Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, our Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. Our Audit Committee has delegated to the Chair of the Audit Committee authority to approve permitted services costing up to \$50,000 provided that the Chair reports any decisions to the Audit Committee at its next scheduled meeting.

The following table sets forth fees paid or payable to Ernst & Young for services provided in each of the years ended December 31, 2018 and 2019:

	2019	2018
Audit fees	\$1,832,500	\$2,277,400
Audit-related fees	0	390,000
Tax fees	185,696	877,915
All other fees	3,000	2,000
TOTAL	\$2,021,196	\$3,547,315

Audit fees

Audit fees are fees paid to Ernst & Young for the annual audit of our financial statements, the quarterly reviews of our financial statements included in our Forms 10-Q, fees related to our annual audit of internal controls over financial reporting, statutory audit fees and fees for regulatory filings.

Audit-related fees

Audit related fees are fees paid to Ernst & Young for assurance and related services that are related to the performance of the audit or review of the financial statements but not reported as audit fees as well as other audit and due diligence procedures in connection with acquisitions or dispositions.

Tax fees

Tax fees are billed for services rendered for tax compliance including the preparation of tax returns and tax advisory services.

All other fees

All other fees consist of fees paid to Ernst & Young for access to Ernst & Young’s online accounting research tool.

In making its appointment of Ernst & Young to audit our financial statements for the fiscal year ending December 31, 2020, our Audit Committee reviewed past audit, audit related and other non-audit services performed during 2019. In selecting Ernst & Young, our Audit Committee carefully considered their independence. Our Audit Committee has determined that the performance of such non-audit services did not impair the independence of Ernst & Young.

Ernst & Young has confirmed to our Audit Committee that it is in compliance with all rules, standards and policies of the Public Company Accounting Oversight Board and the SEC governing auditor independence.

If the stockholders do not ratify this appointment, our Audit Committee will reconsider whether to retain Ernst & Young, but may ultimately decide to retain them. Any decision to retain Ernst & Young or another independent registered public accounting firm will be made by the Audit Committee and will not be resubmitted to stockholders. In addition, even if stockholders ratify the appointment of Ernst & Young, the Audit Committee retains the right to appoint a different independent registered public accounting firm for fiscal 2020 if it determines that it would be in the Company's and its stockholders' best interests.

Representatives of Ernst & Young are expected to be available to respond to appropriate questions of stockholders at the Annual Meeting and will have the opportunity to make a statement at the Annual Meeting if they desire.

Our Board and Audit Committee unanimously recommend that stockholders vote FOR the ratification of the appointment of Ernst & Young.

AUDIT COMMITTEE REPORT

The Audit Committee of our Board of Directors (the "Audit Committee") reviewed and discussed the consolidated financial statements of the Company and our subsidiaries that are set forth in our 2019 Annual Report to Stockholders and in Item 8 of our Annual Report on Form 10-K for the year ended December 31, 2019 with our management and with Ernst & Young LLP, our independent registered public accounting firm.

Our Audit Committee discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standard No. 1301, Communications with Audit Committees, as amended, which includes, among other items, matters relating to the conduct of an audit of our financial statements and the adequacy of internal controls.

Our Audit Committee received the written disclosures and the letter from Ernst & Young LLP required by Rule 3256 of the Public Company Accounting Oversight Board, Communications Concerning Independence, and discussed with Ernst & Young LLP that firm's independence from the Company. The Committee concluded that the provision by Ernst & Young LLP of non-audit services, including tax preparation services, to the Company is compatible with its independence.

Based on the review and discussions with our management and with Ernst & Young LLP, referred to above, our Audit Committee recommended to our Board that we publish the consolidated financial statements of the Company and our subsidiaries for the year ended December 31, 2019 in our Annual Report on Form 10-K for the year ended December 31, 2019.

CERTAIN RELATIONSHIPS

Certain relatives of Jeffrey Siegel, our Executive Chairman, are employed by us, as follows:

- Clifford Siegel, a son of Jeffrey Siegel, is employed by us as our Executive Vice-President – Global Supply Chain. His compensation in 2019 included earned cash compensation of \$528,025, a grant of 12,000 restricted shares of our common stock, and a grant of 4,000 performance share awards.
- James Wells, a son-in-law of Jeffrey Siegel, is employed by us as our Executive Vice-President and President of the Kitchenware Division. His compensation in 2019 included earned cash compensation of \$460,000, a grant of 4,500 restricted shares of our common stock, and a grant of 2,500 performance share awards.

As previously described, Jeffrey Siegel is also the father of Daniel Siegel, who is an NEO, and a cousin of Craig Phillips, who is a director. Other than these employment relationships, there were no transactions with related persons requiring disclosure pursuant to Item 404 of Regulation S-K.

RELATED-PARTY TRANSACTIONS

Our policies and procedures regarding transactions with related persons are set forth in writing and require that our Audit Committee must review and approve any "related party" transaction, as defined in Item 404(a) of Regulation S-K, before it is consummated. The Audit Committee of our Board is responsible for reviewing such policies and procedures pursuant to its charter, which states that the

Audit Committee will “review and approve all related-party transactions required to be disclosed according to SEC Regulation S-K, Item 404, and discuss with management the business rationale for the transactions and whether appropriate disclosures have been made.” We also attempt to identify related party transactions each year by requiring directors and executive officers to complete a questionnaire that provides relevant information to assist in identifying such transactions.

DELINQUENT SECTION 16(A) REPORTS

Section 16(a) of the Exchange Act requires our directors and officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of any of our equity securities. During 2019, the following persons failed to file a Form 4 on a timely basis:

- Daniel Siegel: One transaction occurring on June 10, 2019 was reported late on July 1, 2019.
- Jeffrey Siegel: Three transactions, occurring on June 9, 2019, June 10, 2019 and June 22, 2019, respectively, were reported late on July 1, 2019.
- Laurence Winoker: Three transactions, occurring on June 9, 2019, June 10, 2019 and June 22, 2019, respectively, were reported late on July 1, 2019.

Based solely upon a review of copies of such reports filed with the SEC through the date hereof and written representations as to Forms 5 by the Company’s executive officers, directors and 10% stockholders during the year, we believe that, with the exception of the persons named above, all Section 16 filing requirements applicable to our executive officers, directors and 10% stockholders were complied with during 2019.

Proposal No. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"), the Company is providing stockholders with an advisory (non-binding) vote on the overall compensation of the Company's named executive officers.

As described in detail under the heading "Compensation Discussion and Analysis – Compensation Philosophy and Objectives," the Company's compensation program has been designed to attract, reward and retain capable executives and to provide incentives for the attainment of short-term performance objectives and strategic long-term performance goals. A strong link between compensation and performance provides incentives for achieving short-term and long-term financial and business objectives and increasing the value of the Company's common stock, thereby increasing value to the Company's stockholders. The Company is committed to tying pay to performance. Reflecting this commitment, upon the recommendation of the Compensation Committee, in 2015 the Board of Directors restructured the Company's historical annual equity compensation program to be a program generally consisting of a mix of time-based restricted stock awards and performance-based stock awards. The performance shares provide an opportunity for shares to be earned at the end of a three-year performance period if pre-established financial goals are met. The Company also uses selected performance measures for the 2019 Annual Bonuses awarded pursuant to the Company's Amended and Restated 2000 Incentive Bonus Compensation Plan and each executive's employment agreement. Please read the "Compensation Discussion and Analysis" for additional details about the Company's executive compensation programs, including information about the fiscal year 2019 compensation of the Company's named executive officers.

The Board requests stockholders indicate their support of the named executive officers' compensation as described in this Proxy Statement. This proposal, commonly known as a "say-on-pay" proposal, gives the Company's stockholders the opportunity to express their views on the Company's named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, the Board asks its stockholders to vote **FOR** the following resolution at the Annual Meeting:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2020 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission in accordance with Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the 2019 Summary Compensation Table and other related tables and disclosures."

The "say-on-pay" vote is advisory and therefore not binding on the Company, the Compensation Committee or the Board of Directors. The Board of Directors and Compensation Committee, which is comprised entirely of independent directors, value the opinions of our stockholders and to the extent there are any significant votes against any named executive officer compensation as disclosed in this Proxy Statement, the Board will consider stockholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns. The "say-on-pay" vote is proposed annually, and will be on the ballot for the 2021 Annual Meeting of Stockholders.

Our Board of Directors unanimously recommends that stockholders vote FOR the approval of the compensation of the Company's named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC.

Proposal No. 4
APPROVAL OF AN AMENDMENT AND RESTATEMENT OF
THE COMPANY'S AMENDED AND RESTATED 2000 LONG-TERM INCENTIVE PLAN

Subject to stockholder approval, our Board of Directors has approved an amendment and restatement of the Company's Amended and Restated 2000 Long-Term Incentive Plan (the "Plan"). The principal changes included in the amended and restated Plan are:

- An increase in the number of shares of our common stock for which awards may be granted under the amended and restated Plan by 850,000 shares so that the aggregate number of shares issuable under the amended and restated Plan since the Plan's inception is equal to 7,037,500;
- Additional revisions to account for certain changes to Section 162(m) of the Code made by the Tax Cut and Jobs Act enacted in December 2017, which generally eliminated the performance-based compensation exception under Section 162(m) of the Code; and
- Corresponding and appropriate clarifying changes and updates.

The proposed amended and restated Plan is set forth as Appendix B to this Proxy Statement. The discussion of the amended and restated Plan that follows is intended to provide only a summary of the principal features of the amended and restated Plan and is in all respects qualified by, and subject to, the actual terms and provisions of the attached amended and restated Plan.

Stockholder approval of the amended and restated Plan is being sought in order to (i) meet Nasdaq listing requirements and (ii) allow for incentive stock options to meet the requirements of the Code. If our stockholders approve the amended and restated Plan, awards granted on or after June 25, 2020 will be governed by the terms of the amended and restated Plan. Awards previously granted under the Plan will continue to be governed by the applicable terms of the Plan and award agreements, and the Compensation Committee will administer such awards in accordance with the Plan, without giving effect to the amendments made pursuant to the amended and restated Plan. If our stockholders do not approve the amended and restated Plan, the increase in shares available for issuance under the amended and restated Plan and other changes described above will not be given effect, and the Plan will remain in effect according to its terms.

INCREASE OF SHARES AVAILABLE FOR AWARD

In 2018, an amendment was made to the Plan to increase the aggregate limit on the number of shares of our common stock for which awards may be granted under the Plan (since its inception) to 6,187,500 shares of our common stock. Prior to this amendment, the Plan provided that awards could be granted for no more than 5,287,500 shares of our common stock. If approved, the amended and restated Plan will increase the number of shares of our common stock for which awards may be granted by 850,000 shares to 7,037,500 shares, subject to the adjustment provisions of the amended and restated Plan.

As of December 31, 2019, the number of shares available for which awards may be granted under the Plan was 337,230 shares (assuming maximum performance of performance-based awards outstanding). Subsequent to December 31, 2019, and prior to April 20, 2020, options to purchase 22,675 shares of common stock were cancelled, expired or otherwise terminated without issuance of shares, restricted stock and deferred stock in respect of 58,507 shares in the aggregate were forfeited (including shares underlying performance share awards for the performance period ending on

[Table of Contents](#)

December 31, 2019 to the extent that performance was not achieved) and awards in respect of an aggregate of 225,285 shares (comprised solely of restricted stock) were granted under the Plan.

As of April 20, 2020, 193,127 shares were available for awards granted under the Plan, assuming maximum performance of performance-based awards, and 357,287 shares were available for awards granted under the Plan, assuming target performance of performance-based awards.

Our Board of Directors believes that this amount is not sufficient for future grants in light of our compensation structure and strategy. If this Proposal 4 is approved by our stockholders at the Annual Meeting, the maximum aggregate number of shares for which awards may be granted under the amended and restated Plan (since inception of the Plan) will be 7,037,500, subject to certain adjustments as provided in the amended and restated Plan. As further described below, awards made under the Plan and awards which are made under the amended and restated Plan, which are forfeited, terminated, surrendered, cancelled or have expired, will be disregarded for purposes of this limit.

When deciding on the number of shares to be available for awards under the amended and restated Plan, our Compensation Committee considered a number of factors, including the Company's compensation structure and strategy, the number of shares currently available under the Plan, our past share usage, the number of shares needed for future grants, and input from our stockholders.

GOVERNANCE ASPECTS OF THE AMENDED AND RESTATED PLAN

The amended and restated Plan includes several provisions that promote good governance. These features include the following:

- Options may not be granted with exercise prices lower than the market value of the underlying stock at the time of grant.
- The Compensation Committee is not permitted to reprice options and stock appreciation rights ("SARs") without stockholder approval.
- There is no "evergreen" feature; rather, stockholder approval is required to increase the number of shares available for grant under the plan.
- Shares withheld for taxes or payment of option exercise prices are not available for future grant.
- Tax gross-ups are not provided.
- There is a limit on the maximum number of shares that may be subject to awards granted under the amended and restated Plan during any calendar year to any non-employee director equal to 150,000 shares (subject to adjustment), and a limit on the maximum number of shares that may be subject to awards granted under the amended and restated Plan during any calendar year to any other participant equal to 500,000 shares (subject to adjustment). In the case of awards that may be settled in cash, the maximum amount that may be paid to any participant during any calendar year is the greater of the fair market value of 500,000 shares (subject to adjustment) on the date of grant or the date of settlement of the award.
- There is a one-year minimum vesting period for all awards granted under the amended and restated Plan, so that at the time of grant, the terms of awards granted under the amended and restated Plan must provide for a vesting period of not less than one year, except in the event of a participant's death or disability, or in the event of a change in control. Awards covering up to 5% of the shares subject to the share reserve under the amended and restated Plan as of the effective date of the amended and restated Plan may be granted without regard to this minimum vesting requirement, and awards granted to non-employee directors on the date of an annual stockholders' meeting satisfy this requirement if they provide for vesting at the stockholders' meeting immediately following the grant date.
- Dividends on restricted stock awards and dividend equivalents granted with respect to deferred stock and other awards may vest and be paid only if and to the extent that the related restricted stock awards, deferred stock or other awards vest and become payable.

Table of Contents

- The grant of dividend equivalents in connection with stock options and SARs is expressly prohibited.
- The term of stock options and SARs granted under the amended and restated Plan is expressly limited to ten years from the date of grant.

PURPOSE OF THE AMENDED AND RESTATED PLAN

The purpose of the amended and restated Plan is to provide a means to attract, retain, motivate and reward selected directors, officers, employees, consultants and certain service providers of the Company and its affiliates and to increase their ownership interests in the Company. Such directors, officers and employees as well as persons who provide consulting or other services to the Company or its affiliates deemed by the Compensation Committee to be of substantial value to the Company or its affiliates are eligible to be granted awards under the amended and restated Plan. As of the date of this Proxy Statement, ten non-employee directors, four executive officers and approximately 1,376 other employees could be eligible to participate in the amended and restated Plan. Under current Company practice, we do not grant equity awards to consultants and other service providers. In addition, persons who have been offered employment by or have agreed to become a director of the Company or its affiliates, and persons employed by any entity that the Compensation Committee reasonably expects to become a subsidiary of the Company are also eligible to be granted awards under the amended and restated Plan, and as of the date of this Proxy Statement, no such persons were eligible to participate in the amended and restated Plan.

Because our executive officers and non-employee directors are eligible to receive awards under the amended and restated Plan, they may be deemed to have a personal interest in the approval of this Proposal.

LIMITS UNDER THE AMENDED AND RESTATED PLAN

As noted above, subject to stockholder approval, the amended and restated Plan will limit the aggregate number of shares of stock for which awards may be granted under the amended and restated Plan (including awards granted under the Plan since its inception) to 7,037,500 shares, subject to certain adjustments as provided in the amended and restated Plan.

Awards granted under the Plan and awards granted under the amended and restated Plan, which are forfeited, terminated, surrendered, cancelled or have expired, shall be disregarded for purposes of this limit. Shares of stock shall not again be available for award if such shares are surrendered or withheld as payment either of the exercise price of an option or SAR or of withholding taxes in respect of the exercise, settlement or payment of, or the lapse of restrictions with respect to, any award. Shares purchased in the open market with proceeds from option exercises shall not be available for award. The exercise or settlement of an SAR shall reduce the shares of stock available under the amended and restated Plan by the total number of shares to which the exercise or settlement of the SAR relates, not just the net amount of shares actually issued upon exercise or settlement. Awards settled solely in cash shall not reduce the number of shares of stock available for issuance under the amended and restated Plan. Any shares subject to an option (or portion thereof) that is cancelled upon exercise of a tandem SAR when settled wholly or partially in shares shall to the extent of such settlement in shares be treated as if the option itself had been exercised and such shares shall no longer be available for award.

During any calendar year, no participant may be granted awards that may be settled by delivery of more than 500,000 shares of stock, subject to certain adjustments as provided in the amended and restated Plan. With respect to awards that may be settled in cash (in whole or in part), no participant may be paid during any calendar year cash amounts relating to such awards that exceed the greater of the fair market value of 500,000 shares (subject to certain adjustments as provided in the amended and restated Plan) at the date of grant or the date of settlement of the award. In addition, during any

[Table of Contents](#)

calendar year, no participant who is a non-employee director may be granted awards that may be settled by delivery of more than 150,000 shares of stock in the aggregate, subject to certain adjustments as provided in the amended and restated Plan.

ADMINISTRATION OF THE PLAN; AMENDMENT AND TERMINATION

Unless otherwise determined by our Board of Directors, our Compensation Committee administers the amended and restated Plan and has the authority to:

- Select persons to whom awards may be granted;
- Determine the type or types of awards to be granted to each such person;
- Determine the terms and conditions of awards (including, any exercise price, grant price or purchase price, any restriction or condition, any schedule for lapse of restrictions or conditions relating to transferability or forfeiture, vesting, exercisability or settlement of an award, and performance conditions relating to an award);
- Accelerate vesting of any award in connection with a participant's death, retirement, disability or involuntary termination of employment or service, in the event of a change in control or a corporate transaction or event, or in other circumstances as the Compensation Committee deems appropriate;
- Determine whether, to what extent and under what circumstances an award may be settled, or the exercise price of an award may be paid in cash, stock, other awards, or other property, or an award may be canceled, forfeited or surrendered;
- Determine whether, to what extent and under what circumstances cash, stock, other awards or other property payable with respect to an award will be deferred either automatically, at the election of the Compensation Committee or at the election of the participant, consistent with Section 409A of the Code;
- Determine the restrictions, if any, to which stock received upon exercise or settlement of award shall be subject and condition the delivery of such stock upon the execution by the participant of any agreement providing for such restrictions;
- Prescribe the form of each award agreement;
- Adopt, amend, suspend, waive and rescind such rules and regulations and appoint such agents as the Compensation Committee may deem advisable to administer the amended and restated Plan;
- Correct any defect or supply any omission or reconcile any inconsistency in the amended and restated Plan and to interpret the amended and restated Plan and any award, rules and regulations, award agreement or other instrument thereunder; and
- Make all other decisions as may be required under the terms of the amended and restated Plan or as the Compensation Committee may deem necessary or advisable for the administration of the amended and restated Plan.

Any action of the Compensation Committee with respect to the amended and restated Plan is final, conclusive and binding on all persons. Our Board will perform the functions of the Compensation Committee for purposes of granting awards to directors who serve on the Compensation Committee.

Unless the Board determines otherwise, the committee administering the amended and restated Plan shall be comprised of solely not less than two members who each qualify as (i) a "Non-Employee Director" within the meaning of Rule 16b-3(b)(3) of the Exchange Act and (ii) an "independent director," as determined in accordance with the independence standards established by Nasdaq.

The amended and restated Plan may be amended, altered, suspended, discontinued, or terminated by our Board without stockholder approval unless such approval is required by law or regulation or under the rules of any stock exchange or automated quotation system on which our common stock is then listed or quoted. Stockholder approval will not be deemed to be required under laws or regulations that

Table of Contents

condition favorable tax treatment on such approval, although our Board may, in its discretion, seek stockholder approval in any circumstances in which it deems such approval advisable. No such action by our Board may materially impair the rights of a participant under any outstanding award.

The Compensation Committee may waive any conditions or rights under, or amend, alter, suspend, discontinue, or terminate, any award previously granted. However, subject to the adjustment provisions of the amended and restated Plan, no such action may materially impair a participant's rights without the participant's consent.

TYPES OF AWARDS

Awards under the amended and restated Plan may take the form of:

- Options to purchase shares of common stock, including incentive stock options ("ISOs"), non-qualified stock options or both;
- Stock appreciation rights, whether in conjunction with the grant of stock options or independent of such grant, or stock appreciation rights that are only exercisable in the event of a change in control of the Company;
- Restricted stock, consisting of shares that are subject to forfeiture based on the failure to satisfy employment-related restrictions;
- Deferred stock, representing the right to receive shares of stock in the future;
- Bonus stock and awards in lieu of cash compensation;
- Dividend equivalents, consisting of a right to receive cash, other awards, or other property equal in value to dividends paid with respect to a specified number of shares of common stock; or
- Other awards not otherwise provided for, denominated or payable in, or based upon or related to the common stock and factors which may influence the value of common stock.

Awards granted under the amended and restated Plan are generally not assignable or transferable except by the laws of descent and distribution; however, the amended and restated Plan provides that awards and rights (other than ISOs and SARs in tandem therewith) may be transferred during a participant's lifetime to the participant's spouse, children or grandchildren (including adopted and step children or grandchildren), parents, grandparents, and siblings, as permitted by the Compensation Committee. In addition, the same awards and rights may also be transferred to a trust for the benefit of the participant or a family member listed in the previous sentence; to a partnership, limited liability company, or corporation that is wholly owned by one or more of participant or the family members listed in the previous sentence; or to a charitable organization. Such transfers, if any, are conditioned on the requirement that the permitted assignee be bound by and subject to the terms of the amended and restated Plan and any applicable award agreement, and that the participant remain bound by the terms and conditions of the amended and restated Plan.

Options

The Compensation Committee is authorized to grant options to purchase stock. The Compensation Committee will determine the exercise price per share of stock purchasable under an option, the time and method of exercise, and the period during which options shall be exercisable following the termination of the participant's employment or service relationship with the Company. The exercise price may not be less than 100% of the fair market value of such stock on the grant date of the option, and the term of options may not be more than ten years from the date of grant. The Compensation Committee determines the method by which the exercise price may be paid and the form of such payment, which may include cash, stock, other awards, or other property, to the extent permitted by the terms of the amended and restated Plan. The Compensation Committee may grant options that would afford the participant favorable treatment under the applicable tax laws, including, but not limited to ISOs. ISOs may only be granted to employees of the Company or parent or subsidiary corporation of the Company (as defined by Section 422 of the Code).

Stock Appreciation Rights

The Compensation Committee is authorized to grant SARs. An SAR shall confer on the participant to whom it is granted a right to receive, upon exercise thereof, the excess of the fair market value of one share of stock on the date of exercise over the exercise price of the SAR as determined by the Compensation Committee as of the grant date of the SAR, which, except with respect to tandem awards, shall not be less than the fair market value of one share on the grant date of the SAR. The Compensation Committee will determine the conditions to the exercisability of the SAR, including the times at which an SAR may be exercised in whole or in part, the method of exercise, method of settlement, form of consideration payable in settlement, method by which stock will be delivered or deemed to be delivered, whether or not an SAR shall be in tandem with any other award, and any other terms of any SAR. The term of an SAR may not be more than ten years from the date of grant.

Restricted Stock

The Compensation Committee is authorized to grant restricted stock. Restricted stock shall be subject to restrictions on transferability and any other restrictions that the Compensation Committee may impose. Except as restricted by the amended and restated Plan or any award agreement related to the restricted stock, a participant granted restricted stock shall have all the rights of a stockholder.

Except as otherwise determined by the Compensation Committee, restricted stock shall be forfeited and reacquired by us upon termination of employment or service during the applicable restriction period; provided, however, that the Compensation Committee may provide by rule or regulation, in an award agreement or determine in any individual case, that restrictions or forfeiture conditions related to restricted stock will be waived in whole or in part in the event of termination resulting from specific causes. Dividends paid on restricted stock shall be either paid in cash or in shares of unrestricted stock having a fair market value equal to the amount of such dividends, or the payment of such dividends shall be deferred and/or the amount or value thereof automatically reinvested in additional restricted stock, other awards or other investment vehicles. However, dividends with respect to restricted stock shall vest and be paid only if and to the extent the underlying shares of restricted stock vest and are paid.

Deferred Stock

The Compensation Committee is authorized to grant units representing the right to receive stock at a future date. Such deferred stock shall be subject to restrictions that the Compensation Committee may impose. Except as otherwise determined by the Compensation Committee, upon termination of employment or service during the applicable deferral period or portion thereof to which forfeiture conditions apply, all deferred stock that is at the time subject to such forfeiture conditions shall be forfeited; provided, however, that the Compensation Committee may provide by rule or regulation or in an award agreement or determine in any individual case, that restrictions or forfeiture conditions related to deferred stock will be waived in whole or in part in the event of termination resulting from specific causes.

Bonus Stock and Awards in Lieu of Cash Obligations

The Compensation Committee is authorized to grant stock as a bonus, or to grant stock or other awards in lieu of our obligations to pay cash under other plans or compensatory arrangements.

Dividend Equivalents

The Compensation Committee is authorized to grant awards entitling the participant to receive cash, stock, other awards, or other property equal in value to dividends paid with respect to a specified number of shares of stock ("Dividend Equivalents"). Dividend Equivalents may be awarded on a free standing basis or in connection with another award; provided that, Dividend Equivalents may not accrue or be paid with respect to shares subject to stock options or SARs. The Compensation

Table of Contents

Committee may provide that Dividend Equivalents shall be paid or distributed when accrued or shall be deemed to have been reinvested in additional stock, awards or other investment vehicles, and subject to any restrictions on transferability and risks of forfeiture, as the Compensation Committee may specify. However, Dividend Equivalents granted in connection with an award shall vest and be paid only if and to the extent that the underlying shares subject to the award vest and are paid.

Other Stock-Based Awards

Subject to applicable law and the terms of the amended and restated Plan, the Compensation Committee is authorized to grant such other awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, stock and factors that may influence the value of the stock, as deemed by the Compensation Committee to be consistent with the purposes of the amended and restated Plan, including, without limitation, convertible or exchangeable debt securities, other rights convertible or exchangeable into stock, purchase rights for stock, awards with value and payment contingent upon performance of the Company or any other factors designated by the Compensation Committee and awards valued by reference to the book value of stock or the value of securities of or the performance of specified subsidiaries of the Company. The Compensation Committee shall determine the terms and conditions of such awards. Cash awards, as an element of, or supplement to any other award under the amended and restated Plan may be granted under the amended and restated Plan.

Performance-Based Awards

The Compensation Committee may, in its discretion, determine that an award granted to an employee will be contingent upon achievement of pre-established performance objectives in accordance with certain provisions of the amended and restated Plan ("Performance Awards"). The performance objectives for Performance Awards will consist of one or more business criteria and a targeted level or levels of performance with respect to such criteria, as specified by the Compensation Committee. The Compensation Committee may determine that Performance Awards will be granted, exercised, and/or settled upon achievement of any one performance objective or that two or more of the performance objectives must be achieved as a condition to grant, exercise, and/or settlement of such Performance Awards. Business criteria used by the Compensation Committee in establishing performance objectives for Performance Awards will be selected from among the following criteria, or any such other criteria determined by the Compensation Committee in its sole discretion, which in either case may be applied to the Company, on a consolidated basis, and/or for specified subsidiaries, divisions, or other business units of the Company (where the criteria are applicable):

- Return on capital;
- Earnings or earnings per share (which earnings may include equity in earnings of investees, and may be determined without regard to interest, taxes, depreciation, and/or amortization);
- Cash flow provided by operations;
- Increase in stock price;
- Changes in annual revenues;
- Net sales;
- Total shareholder return;
- Inventory control measures;
- Internet sales, including as it relates to total or net sales; and/or
- Strategic business criteria, consisting of one or more objectives based on meeting specified revenue; market penetration; geographic business expansion goals; cost targets; and goals relating to acquisitions or divestitures.

The levels of performance required with respect to business criteria may be expressed in absolute or relative levels. Performance objectives may differ for Performance Awards granted to different participants. Performance objectives, amounts payable upon achievement of such objectives, the

Table of Contents

applicable performance period and other material terms of Performance Awards will be established by the Compensation Committee. In addition, the Compensation Committee will specify the circumstances in which Performance Awards will be paid or forfeited in the event of termination of employment by the participant prior to the end of a performance period or settlement of Performance Awards.

To the extent applicable, unless the Compensation Committee decides otherwise, the determination of achievement of performance objectives for Performance Awards will be made in accordance with U.S. generally accepted accounting principles ("GAAP") and a manner consistent with the methods used in the Company's audited financial statements. Unless the Compensation Committee decides otherwise, the determination of achievement of performance objectives for Performance Awards shall be made without regard to (i) changes in accounting methods, (ii) non-recurring acquisition expenses and restructuring charges; or (iii) other costs or charges associated with refinancings, write-downs, impairments, closures, consolidations, divestitures, strategic initiatives, and items associated with acquisitions, including but not limited to, earn-outs and bargain purchase gains. In calculating earnings or earnings per share, the Compensation Committee may provide that such calculation shall be made on the same basis as reflected in a release of the Company's earnings for a previously completed period as specified by the Compensation Committee. In setting the performance objectives, the Compensation Committee may provide for adjustments in respect of unusual or infrequently occurring items determined in accordance with applicable accounting standards, adjustments for equity compensation expenses, and such other adjustments as it deems appropriate. The Compensation Committee, in its sole discretion, may, after Performance Awards have been granted, make adjustments to the performance criteria applicable to the Performance Awards, the amounts payable in respect of the applicable performance criteria, and performance results, to the extent consistent with the terms of the applicable award agreement.

Minimum Vesting

At the time of grant, the terms of awards granted under the amended and restated Plan will provide that the awards will not vest prior to the one-year anniversary of the date of grant, except as may be provided in the event of a participant's death or disability, or in the event of a change in control. However, awards covering up to 5% of the shares subject to the share reserve under the amended and restated Plan as of the effective date of the amended and restated Plan may be granted without regard to this minimum vesting requirement. In addition, awards granted to non-employee directors on the date of an annual stockholders' meeting satisfy this requirement if they provide for vesting at the annual stockholders' meeting immediately following the grant date.

Change in Control

The amended and restated Plan includes a double trigger change in control provision. Notwithstanding anything in the amended and restated Plan to the contrary, the following provisions will apply on a change in control.

An award shall not vest upon the occurrence of a change in control and shall continue to the extent qualifying as a Replacement Award. A "Replacement Award" includes an outstanding award that continues upon and after the occurrence of a change in control and an award provided to a participant in replacement of an outstanding award in connection with a change in control satisfying the following conditions:

- It has a value at least equal to that of the replaced award;
- It relates to publicly traded equity securities of the Company or its successor in the change in control or another entity affiliated with the Company or its successor following the change in control;
- Its other terms and conditions are not less favorable to the participant than the terms and conditions of the replaced award; and

Table of Contents

- Upon an involuntary termination of employment or separation from service of a participant by the Company other than for cause (as defined in the amended and restated Plan) (and not due to disability), or a voluntary termination of employment or service by the participant for good reason (as defined in the amended and restated Plan to the extent applicable), occurring on or during the 24 months after the change in control, the Replacement Award, to the extent not vested and unrestricted as of such termination of employment or separation from service, shall become fully vested and (if applicable) exercisable and free of restrictions.

If a Replacement Award is not provided to a participant upon the occurrence of a change in control, or, except as otherwise determined by the Compensation Committee, if a change in control occurs following an involuntary termination of employment or separation from service of a participant by the Company other than for cause (and not due to disability), or a voluntary termination of employment or separation from service for good reason by the participant, occurring (i) at the request of a third party taking steps reasonably calculated to effect such change in control or (ii) otherwise in contemplation of and within 180 days before such change in control, then:

- Any and all options and SARs granted under the amended and restated Plan shall become immediately exercisable;
- Any restrictions imposed on restricted stock shall lapse and the restricted stock shall become freely transferable, and all other awards shall become fully vested; and
- Except as otherwise provided in an award agreement, the payout opportunities attainable at target or, if greater, in the amount determined by the Compensation Committee to have been earned thereunder based on performance through the date of the change in control, under all outstanding awards of performance-based stock, cash awards and other awards shall be deemed to have been earned for the entire performance period(s) as of the effective date of the change in control. The vesting of all such earned awards shall be accelerated as of the effective date of the change in control, and in full settlement of such awards, there shall be paid out in cash, or in the discretion of the Compensation Committee, shares of stock with a fair market value equal to the amount of such cash.

For purposes of the amended and restated Plan, "Change in Control" shall mean:

- Any person becoming the beneficial owner of securities of the Company representing thirty percent (30%) or more of the combined voting power of the Company's then outstanding securities;
- Individuals who serve on the Board immediately prior to the event, or whose election to the Board or nomination for election to the Board was approved by a vote of at least two-thirds of the directors who either serve on the Board immediately prior to the event, or whose election or nomination for election was previously so approved, ceasing for any reason to constitute a majority of the Board;
- Consummation of a merger or consolidation of the Company or any subsidiary into any other corporation, other than a merger or consolidation that results in the holders of the voting securities of the Company outstanding immediately prior thereto holding immediately thereafter securities representing more than sixty percent (60%) of the combined voting power of the voting securities of the Company; or
- The stockholders of the Company approving a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets and such liquidation, sale or disposition is consummated.

Adjustments Due to Changes in the Company's Capital Structure

or other special, large and non-recurring dividend or distribution (whether in the form of cash, securities or other property), liquidation, dissolution, or any other extraordinary or unusual event affecting the Company's outstanding common stock as a class, then the Compensation Committee shall equitably adjust any or all of (i) the number and kind of shares of common stock reserved and available for awards under the amended and restated Plan, including shares reserved for ISOs and the number of shares which may be issued without regard to the minimum vesting requirements, (ii) the number and kind of shares of outstanding restricted stock or other outstanding awards in connection with which the shares have been issued, (iii) the number and kind of shares that may be issued in respect of other outstanding awards, (iv) the maximum number and kind of shares of stock for which any individual may receive awards in any year, and (v) the exercise price, grant price or purchase price relating to any award (or, if deemed appropriate, the Compensation Committee may make provision for a cash payment with respect to any outstanding award), to preclude, to the extent practicable, the enlargement or dilution of rights and benefits under the amended and restated Plan and such outstanding awards. However, any fractional shares resulting from such adjustment shall be eliminated. The Compensation Committee is also authorized to make adjustments in the terms and conditions of, and the criteria included in, awards (including, without limitation, cancellation of unexercised or outstanding awards (to the extent permitted by the repricing provisions of the amended and restated Plan described below), or substitution of awards using stock of a successor or other entity) in recognition of unusual or nonrecurring events (including, without limitation, events described in the preceding sentence) affecting the Company, any parent or any subsidiary or the financial statements of the Company, any parent or any subsidiary, or in response to changes in applicable laws, regulations, or accounting principles.

No Repricing

Except in connection with a corporate transaction involving the Company (including, any stock dividend, distribution (whether in the form of cash, stock, other securities or other property), stock split, extraordinary cash dividend, recapitalization, change in control, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of stock or other securities, or similar transactions), the Company may not, without obtaining stockholder approval, (i) amend the terms of outstanding stock options or SARs to reduce the exercise price of such outstanding stock options or SARs, (ii) cancel outstanding stock options or SARs in exchange for stock options or SARs with an exercise price that is less than the exercise price of the original options or SARs or (iii) cancel outstanding options or SARs with an exercise price above the current stock price in exchange for cash or other securities.

Company Policies

All awards made under the amended and restated Plan shall be subject to any applicable clawback or recoupment policies, share trading policies and other policies that may be implemented by the Board from time to time.

Federal Tax Consequences

The following is a brief description of the federal income tax consequences generally arising with respect to awards that may be granted under the amended and restated Plan. This discussion is intended for the information of stockholders considering how to vote and not as tax guidance to individuals who participate in the amended and restated Plan.

The grant of an option or SAR (including a stock-based award in the nature of a purchase right) will create no tax consequences for the participant or for us at the time of grant. A participant will not recognize taxable income upon exercising an ISO (except that the alternative minimum tax may apply), and we will receive no deduction at that time. Upon exercising an option other than an ISO (including a

stock-based award in the nature of a purchase right) or SAR, the participant must generally recognize ordinary income equal to the difference between the exercise price and fair market value of the freely transferable and nonforfeitable stock (or cash, as applicable) received. In each such case, we will generally be entitled to a deduction equal to the amount recognized as ordinary income by the participant.

A participant's disposition of shares acquired upon the exercise of an option, SAR or other stock-based award in the nature of a purchase right generally will result in capital gain or loss measured by the difference between the sale price and the participant's tax basis in such shares (or the exercise price of the option in the case of shares acquired by exercise of an ISO and held for the applicable ISO holding periods). Generally, there will be no tax consequences to us in connection with a disposition of shares acquired upon exercise of an option or other award, except that we will generally be entitled to a deduction (and the participant will recognize ordinary income) if shares acquired upon exercise of an ISO are disposed of before the applicable ISO holding periods have been satisfied.

With respect to awards granted under the amended and restated Plan that may be settled either in cash or in stock or other property that is either not restricted as to transferability or not subject to a substantial risk of forfeiture (including payment in respect of deferred stock), the participant must generally recognize ordinary income equal to the cash or the fair market value of stock or other property received. We will generally be entitled to a deduction for the same amount. With respect to awards involving stock or other property that is restricted as to transferability and subject to a substantial risk of forfeiture, the participant must generally recognize ordinary income equal to the fair market value of the shares or other property received at the first time the shares or other property become transferable or not subject to a substantial risk of forfeiture, whichever occurs earlier. We will generally be entitled to a deduction in an amount equal to the ordinary income recognized by the participant. A participant may elect to be taxed at the time of receipt of shares or other property rather than upon lapse of restrictions on transferability or substantial risk of forfeiture, but if the participant subsequently forfeits such shares or property he will not be entitled to any tax deduction, including a capital loss, for the value of the shares or property on which he previously paid tax. Such election must be made and filed with the Internal Revenue Service within thirty days of the receipt of the shares or other property.

The Company's deductibility of awards granted under the amended and restated Plan will be limited by Section 162(m) of the Code, which generally disallows a public company's tax deduction for compensation to its NEOs in excess of \$1 million per year.

To be considered for inclusion in next year's Proxy Statement and form of proxy pursuant to Rule 14a-8 of the Exchange Act, and acted upon at the 2021 Annual Meeting of Stockholders (the "2021 Annual Meeting"), stockholder proposals must be submitted in writing to the attention of our Secretary at our principal office, no later than January 5, 2021. In order to avoid controversy, stockholders should submit proposals by means (including electronic) that permit them to prove the date of delivery. Such proposals also need to comply with Rule 14a-8 of the Exchange Act and the interpretations thereof, and may be omitted from the Company's proxy materials for the 2021 Annual Meeting if such proposals are not in compliance with applicable requirements of the Exchange Act.

Director Nominations and Stockholder Proposals Not Submitted Pursuant to Rule 14a-8 of the Exchange Act

Our Amended and Restated Bylaws also establish advance notice procedures with regard to stockholder proposals or director nominations that are not submitted for inclusion in the Proxy Statement. With respect to such stockholder proposals or director nominations, a stockholder's advance notice must be made in writing, must meet the requirements set forth in our Amended and Restated Bylaws and must be delivered to, or mailed by first class United States mail, postage prepaid, and received by, our Secretary at our principal office no earlier than February 25, 2021 and no later than the close of business on March 27, 2021. However, in the event the 2021 Annual Meeting is scheduled to be held on a date before May 26, 2021, or after August 24, 2021, then such advance notice must be received by us not later than the close of business on the later of (1) the ninetieth (90th) calendar day prior to the 2021 Annual Meeting and (2) the 10th calendar day following the day on which we first make public disclosure of the date of the 2021 Annual Meeting (or if that day is not a business day for the Company, on the next succeeding business day).

Discretionary Authority Pursuant to Rule 14a-4(c) of the Exchange Act

If a stockholder who wishes to present a proposal before the 2021 Annual Meeting outside of Rule 14a-8 of the Exchange Act fails to notify us by the required dates indicated above for the receipt of advance notices of stockholder proposals and proposed director nominations, the proxies that our Board solicits for the 2021 Annual Meeting will confer discretionary authority on the person named in the proxy to vote on the stockholder's proposal if it is properly brought before that meeting subject to compliance with Rule 14a-4(c) of the Exchange Act. If a stockholder makes timely notification, the proxies may still confer discretionary authority to the person named in the proxy under circumstances consistent with the SEC's proxy rules, including Rule 14a-4(c) of the Exchange Act.

We, in addition to some banks, brokers, and other nominee record holders participate in the practice of "householding" notices of internet availability of proxy materials, proxy statements and annual reports. OTHER MATTERS

Our management does not know of any matters other than those stated in this Proxy Statement which are to be presented for action at the Annual Meeting. If any other matters should properly come before the Annual Meeting, it is intended that proxies in the accompanying form will be voted on such other matters in accordance with the judgment of the persons voting such proxies, subject to compliance with Rule 14a-4(c) of the Exchange Act. Discretionary authority to vote on such matters is conferred by such proxies upon the persons voting them.

Our financial statements are included in our Annual Report for the fiscal year ended December 31, 2019.

(Amended and Restated as of June 25, 2020)

1. Purpose. The purpose of this amended and restated 2000 Long-Term Incentive Plan (the “Plan”) of Lifetime Brands, Inc., a Delaware corporation (the “Company”), is to advance the interests of the Company and its stockholders by providing a means to attract, retain, motivate and reward directors, officers, employees and consultants of and service providers to the Company and its affiliates and to enable such persons to acquire or increase a proprietary interest in the Company, thereby promoting a closer identity of interests between such persons and the Company’s stockholders. This amended and restated Plan will be effective as of June 25, 2020 (the “2020 Amendment Effective Date”). Changes made pursuant to this amendment and restatement shall apply to Awards (as defined below) granted on or after the 2020 Amendment Effective Date. Awards granted prior to the 2020 Amendment Effective Date shall continue to be governed by the applicable Award Agreements and the terms of the Plan without giving effect to changes made pursuant to this 2020 Plan restatement, and the Committee shall administer such Awards in accordance with the Plan without giving effect to changes made pursuant to this 2020 Plan restatement.

2. Definitions. The definitions of awards under the Plan, including Options, SARs (including Limited SARs), Restricted Stock, Deferred Stock, Stock granted as a bonus or in lieu of other awards, Dividend Equivalents and Other Stock-Based Awards are as set forth in Section 6 of the Plan. Such awards, together with any other right or interest granted to a Participant under the Plan, are termed “Awards.” For purposes of the Plan, the following additional terms shall be defined as set forth below:

(c) “Board” means the Board of Directors of the Company.

(d) “Cause” shall have the meaning set forth in the applicable Award Agreement; provided that, if such Award Agreement does not include a definition of Cause, then (i) if there is an employment agreement or severance plan or agreement applicable to the Participant, Cause shall have the same definition as set forth in such plan or agreement; or (ii) if Cause is not defined in such plan or agreement or there is no such plan or agreement applicable to the Participant, then Cause shall mean: (i) Participant is convicted of a felony; (ii) Participant commits an act of fraud, willful misconduct or dishonesty in connection with Participant’s employment or which results in material harm to the Company; or (iii) Participant commits a material violation of any law, rule, or regulation of any governmental authority.

(g) “Exchange Act” means the Securities Exchange Act of 1934, as amended from time to time. References to any provision of the Exchange Act shall be deemed to include rules thereunder and successor provisions and rules thereto.

(h) “Fair Market Value” means, with respect to Stock, Awards, or other property, the fair market value of such Stock, Awards, or other property determined by such methods or procedures as shall be established from time to time by the Committee, provided, however, that if the Stock is listed on a national securities exchange or quoted in an interdealer quotation system, the Fair Market Value of such Stock on a given date shall be based upon the last sales price at the end of regular trading or, if unavailable, the average of the closing bid and asked prices per share of the Stock at the end of regular trading on such date (or, if there was no trading or quotation in the Stock on such date, on the next preceding date on which there was trading or quotation) as provided by one of such organizations.

(i) “Good Reason” shall have the meaning set forth in the applicable Award Agreement; provided that, if such Award Agreement does not include a definition of Good Reason, then (i) if there is an employment agreement applicable to the Participant, Good Reason shall have the meaning set forth in such agreement; or (ii) if Good Reason is not defined in such agreement or there is no such agreement applicable to the Participant, then Good Reason shall not apply to the Participant.

3. Administration.

(a) Authority of the Committee. Except as otherwise provided below, the Plan shall be administered by the Committee. The Committee shall have full and final authority to take the following actions, in each case subject to and consistent with the provisions of the Plan:

- (i) to select persons to whom Awards may be granted;

[Table of Contents](#)

- (ii) to determine the type or types of Awards to be granted to each such person;
- (iii) to determine the number of Awards to be granted, the number of shares of Stock to which an Award will relate, the terms and conditions of any Award granted under the Plan (including, but not limited to, any exercise price, grant price or purchase price, any restriction or condition (including, but not limited to, restrictive covenant obligations (such as confidentiality, non-competition and non-solicitation covenants), and clawback or recoupment provisions), any schedule for lapse of restrictions or conditions relating to transferability or forfeiture, vesting, exercisability or settlement of an Award (subject to the limitations of Section 7(f)), performance conditions relating to an Award (including performance conditions relating to Awards not intended to be governed by Section 7(e)) and waivers and modifications thereof (subject to the limitations of Section 7(f)), based in each case on such considerations as the Committee shall determine), and all other matters to be determined in connection with an Award;
- (iv) to accelerate vesting of any Award in connection with a Participant's death, retirement, disability or involuntary termination of employment or service, in the event of a Change in Control or a corporate transaction or event described in Section 4(c), or in other circumstances as the Committee deems appropriate;
- (v) to determine whether, to what extent and under what circumstances an Award may be settled, or the exercise price of an Award may be paid, in cash, Stock, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered;
- (vi) to determine whether, to what extent and under what circumstances cash, Stock, other Awards or other property payable with respect to an Award will be deferred either automatically, at the election of the Committee or at the election of the Participant, consistent with Section 409A of the Code;
- (vii) to determine the restrictions, if any, to which Stock received upon exercise or settlement of an Award shall be subject (including lock-ups and other transfer restrictions) and condition the delivery of such Stock upon the execution by the Participant of any agreement providing for such restrictions;
- (viii) to prescribe the form of each Award Agreement, which need not be identical for each Participant;
- (ix) to adopt, amend, suspend, waive and rescind such rules and regulations and appoint such agents as the Committee may deem necessary or advisable to administer the Plan;
- (x) to correct any defect or supply any omission or reconcile any inconsistency in the Plan and to construe and interpret the Plan and any Award, rules and regulations, Award Agreement or other instrument hereunder; and
- (xi) to make all other decisions and determinations as may be required under the terms of the Plan or as the Committee may deem necessary or advisable for the administration of the Plan.

Other provisions of the Plan notwithstanding, (i) the Board shall perform the functions of the Committee for purposes of granting awards to directors who serve on the Committee and (ii) the Board may perform any function of the Committee under the Plan for any other purpose, including without limitation for the purpose of ensuring that transactions under the Plan by Participants who are then

subject to Section 16 of the Exchange Act in respect of the Company are exempt under Rule 16b-3. In any case in which the Board is performing a function of the Committee under the Plan, each reference to the Committee herein shall be deemed to refer to the Board, except where the context otherwise requires.

(b) Manner of Exercise of Committee Authority. Any action of the Committee with respect to the Plan shall be final, conclusive and binding on all persons, including the Company, its Parent and Subsidiaries, Participants, any person claiming any rights under the Plan from or through any Participant and stockholders, except to the extent the Committee may subsequently modify, or take further action not consistent with, its prior action. If not specified in the Plan, the time at which the Committee must or may make any determination shall be determined by the Committee, and any such determination may thereafter be modified by the Committee (subject to Section 9(f)). The express grant of any specific power to the Committee, and the taking of any action by the Committee, shall not be construed as limiting any power or authority of the Committee. The Committee may delegate to officers or managers of the Company, its Parent or Subsidiaries the authority, subject to such terms as the Committee shall determine, to perform such functions as the Committee may determine, to the extent permitted under applicable law.

(c) Limitation of Liability; Indemnification. Each member of the Committee shall be entitled to, in good faith, rely or act upon any report or other information furnished to him by any officer or other employee of the Company, its Parent or Subsidiaries, the Company's independent certified public accountants or any executive compensation consultant, legal counsel or other professional retained by the Company to assist in the administration of the Plan. No member of the Committee, or any officer or employee of the Company acting on behalf of the Committee, shall be personally liable for any action, determination or interpretation taken or made in good faith with respect to the Plan, and all members of the Committee and any officer or employee of the Company acting on its behalf shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action, determination or interpretation.

4. Stock Subject to Plan.

(a) Amount of Stock Reserved. Subject to Section 4(c), the aggregate number of shares of Stock for which Awards may be granted under this Plan (since its inception) shall not exceed 7,037,500. Awards made under this Plan which are forfeited (including a repurchase or cancellation of shares of Stock subject thereto by the Company in exchange for the price, if any, paid to the Company for such shares, or for their par value or other nominal value), terminated, surrendered, cancelled or have expired, shall be disregarded for purposes of the preceding sentence and shall not be considered as having been theretofore made subject to an Award. Shares of Stock shall not again be available for award if such shares are surrendered or withheld as payment either of the exercise price of an Option or Stock Appreciation Right or of withholding taxes in respect of the exercise, settlement or payment of, or the lapse of restrictions with respect to, any Award. Shares purchased in the open market with proceeds from Option exercises shall not be added to the pool of available shares. The exercise or settlement of a Stock Appreciation Right shall reduce the shares of Stock available under the Plan by the total number of shares to which the exercise or settlement of the Stock Appreciation Right relates, not just the net amount of shares actually issued upon exercise or settlement. Awards settled solely in cash shall not reduce the number of shares of Stock available for issuance under the Plan. Any shares of Stock subject to an Option (or part thereof) that is cancelled upon exercise of a tandem Stock Appreciation Right when settled wholly or partially in shares shall to the extent of such settlement in shares be treated as if the Option itself had been exercised and such shares shall no longer be available for award. Any shares of Stock delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued shares, treasury shares or shares acquired in the market on a Participant's behalf.

Table of Contents

(b) Annual Per-Participant Limitations. During any calendar year, no Participant may be granted Awards that may be settled by delivery of more than 500,000 shares of Stock, subject to adjustment as provided in Section 4(c). In addition, with respect to Awards that may be settled in cash (in whole or in part), no Participant may be paid during any calendar year cash amounts relating to such Awards that exceed the greater of the Fair Market Value of the number of shares of Stock set forth in the preceding sentence at the date of grant or the date of settlement of the Award. The preceding sentences set forth two separate limitations, so that Awards that may be settled solely by delivery of Stock will not operate to reduce the amount of cash-only Awards, and vice versa; nevertheless, Awards that may be settled in Stock or cash must not exceed either limitation. In addition to the foregoing limitations, the maximum number of shares of Stock that may be subject to Awards granted under the Plan during any calendar year to a Participant who is a non-employee director shall not exceed 150,000 shares of Stock in the aggregate, subject to adjustment as provided in Section 4(c).

(c) Adjustments. In the event of any recapitalization, reclassification, forward or reverse split, reorganization, merger, consolidation, spinoff, combination, repurchase or exchange of Stock or other securities, Stock dividend or other special, large and non-recurring dividend or distribution (whether in the form of cash, securities or other property), liquidation, dissolution, or any other extraordinary or unusual event affecting the outstanding Stock as a class, then the Committee shall equitably adjust any or all of (i) the number and kind of shares of Stock reserved and available for Awards under Section 4(a) and 4(b), including shares reserved for ISOs and the number of shares which may be issued without regard to the vesting requirements set forth in Section 7(f), (ii) the number and kind of shares of outstanding Restricted Stock or shares subject to other outstanding Awards in connection with which the shares have been issued, (iii) the number and kind of shares that may be issued in respect of other outstanding Awards, (iv) the maximum number and kind of shares of Stock for which any individual may receive Awards in any year, and (v) the exercise price, grant price or purchase price relating to any Award (or, if deemed appropriate, the Committee may make provision for a cash payment with respect to any outstanding Award), to preclude, to the extent practicable, the enlargement or dilution of rights and benefits under the Plan and such outstanding Awards; provided, however, that any fractional shares resulting from such adjustment shall be eliminated. In addition, the Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards (including, without limitation, cancellation of unexercised or outstanding Awards (to the extent permitted by Section 9(f)(ii)), or substitution of Awards using stock of a successor or other entity) in recognition of unusual or nonrecurring events (including, without limitation, events described in the preceding sentence) affecting the Company, its Parent or any Subsidiary or the financial statements of the Company, its Parent or any Subsidiary, or in response to changes in applicable laws, regulations, or accounting principles.

Any adjustments to outstanding Awards shall be consistent with Section 409A or 424 of the Code, to the extent applicable. Any adjustments determined by the Committee shall be final, binding and conclusive.

5. Eligibility. Directors, officers and employees of the Company or its Parent or any Subsidiary, and persons who provide consulting or other services to the Company, its Parent or any Subsidiary deemed by the Committee to be of substantial value to the Company or its Parent and Subsidiaries, are eligible to be granted Awards under the Plan. In addition, persons who have been offered employment by, or agreed to become a director of, the Company, its Parent or any Subsidiary, and persons employed by an entity that the Committee reasonably expects to become a Subsidiary of the Company, are eligible to be granted an Award under the Plan.

6. Specific Terms of Awards.

(a) General. Awards may be granted on the terms and conditions set forth in this Section 6. In addition, the Committee may impose on any Award or the exercise thereof such

[Table of Contents](#)

additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine, including terms requiring forfeiture of Awards in the event of termination of employment or service of the Participant. Except as expressly provided by the Committee (including for purposes of complying with the requirements of the Delaware General Corporation Law relating to lawful consideration for the issuance of shares), no consideration other than services will be required as consideration for the grant (but not the exercise) of any Award.

(b) Options. The Committee is authorized to grant options to purchase Stock on the following terms and conditions (“Options”):

(i) Exercise Price. The exercise price per share of Stock purchasable under an Option shall be determined by the Committee; provided, however, such exercise price may not be less than one hundred percent (100%) of the Fair Market Value of such Stock on the date of grant of such Option.

(ii) Time and Method of Exercise. The Committee shall determine the time or times at which an Option may be exercised in whole or in part (subject to the limitations of Section 7(f)), the methods by which such exercise price may be paid or deemed to be paid, the form of such payment, including, without limitation, cash, Stock, other Awards or awards granted under other Company plans or other property (including notes or other contractual obligations of Participants to make payment on a deferred basis, such as through “cashless exercise” arrangements, to the extent permitted by applicable law), and the methods by which Stock will be delivered or deemed to be delivered to Participants.

(iii) Termination of Employment or Service. The Committee shall determine the period, if any, during which Options shall be exercisable following a Participant’s termination of his employment or service relationship with the Company, its Parent or any Subsidiary. For this purpose, unless otherwise determined by the Committee, any sale of a Subsidiary of the Company pursuant to which it ceases to be a Subsidiary of the Company shall be deemed to be a termination of employment or service by any Participant employed or retained by such Subsidiary. Unless otherwise determined by the Committee, (x) during any period that an Option is exercisable following termination of employment or service, it shall be exercisable only to the extent it was exercisable upon such termination of employment or service, and (y) if such termination of employment or service is for Cause, as determined in the discretion of the Committee, all Options held by the Participant shall immediately terminate.

(iv) Options Providing Favorable Tax Treatment. The Committee may grant Options that may afford a Participant with favorable treatment under the tax laws applicable to such Participant, including, but not limited to ISOs. If Stock acquired by exercise of an ISO is sold or otherwise disposed of within two years after the date of grant of the ISO or within one year after the transfer of such Stock to the Participant, the holder of the Stock immediately prior to the disposition shall promptly notify the Company in writing of the date and terms of the disposition and shall provide such other information regarding the disposition as the Company may reasonably require in order to secure any deduction then available against the Company’s or any other corporation’s taxable income. The Company may impose such procedures as it determines may be necessary to ensure that such notification is made. Each Option granted as an ISO shall be designated as such in the Award Agreement relating to such Option. ISOs may only be granted to individuals who are employees of the Company or any parent or subsidiary corporation of the Company (as defined by Section 422 of the Code).

[Table of Contents](#)

(c) Stock Appreciation Rights. The Committee is authorized to grant stock appreciation rights ("SARs") on the following terms and conditions:

(i) Right to Payment. An SAR shall confer on the Participant to whom it is granted a right to receive, upon exercise thereof, the excess of (A) the Fair Market Value of one share of Stock on the date of exercise, over (B) the exercise price of the SAR as determined by the Committee as of the date of grant of the SAR, which, except as provided in Section 7(a), shall be not less than the Fair Market Value of one share of Stock on the date of grant.

(ii) Other Terms. The Committee shall determine the time or times at which a SAR may be exercised in whole or in part (subject to the limitations of Section 7(f)), the method of exercise, method of settlement, form of consideration payable in settlement, method by which Stock will be delivered or deemed to be delivered to Participants, whether or not a SAR shall be in tandem with any other Award, and any other terms and conditions of any SAR. Limited SARs that may only be exercised upon the occurrence of a Change in Control of the Company may be granted on such terms, not inconsistent with this Section 6(c), as the Committee may determine. Limited SARs may be either freestanding or in tandem with other Awards.

(d) Restricted Stock. The Committee is authorized to grant Stock that is subject to restrictions based on continued employment on the following terms and conditions ("Restricted Stock"):

(i) Grant and Restrictions. Restricted Stock shall be subject to such restrictions on transferability and other restrictions, if any, as the Committee may impose, which restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, or otherwise, as the Committee may determine (subject to the limitations of Section 7(f)). Except to the extent restricted under the terms of the Plan (including subsection (iv) below) and any Award Agreement relating to the Restricted Stock, a Participant granted Restricted Stock shall have all of the rights of a stockholder including, without limitation, the right to vote Restricted Stock or the right to receive dividends thereon.

(ii) Forfeiture. Except as otherwise determined by the Committee, upon termination of employment or service (as determined under criteria established by the Committee) during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited and reacquired by the Company; provided, however, that the Committee may provide, by rule or regulation or in any Award Agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of termination resulting from specified causes.

(iii) Certificates for Stock. Restricted Stock granted under the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing Restricted Stock are registered in the name of the Participant, such certificates may bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock and the Company may retain physical possession of the certificate, in which case the Participant shall be required to have delivered a stock power to the Company, endorsed in blank, relating to the Restricted Stock.

(iv) Dividends. Dividends paid on Restricted Stock shall be either paid in cash or in shares of unrestricted Stock having a Fair Market Value equal to the amount of such dividends, or the payment of such dividends shall be deferred and/or the amount or value thereof automatically reinvested in additional Restricted Stock, other Awards, or other

investment vehicles, as the Committee shall determine or permit the Participant to elect consistent with Section 409A of the Code; provided that, dividends with respect to Restricted Stock shall vest and be paid only if and to the extent the underlying shares of Restricted Stock vest and are paid. Stock distributed in connection with a Stock split or Stock dividend, and other property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock with respect to which such Stock or other property has been distributed.

(e) Deferred Stock. The Committee is authorized to grant units representing the right to receive Stock at a future date subject to the following terms and conditions ("Deferred Stock"):

(i) Award and Restrictions. Delivery of Stock will occur upon expiration of the deferral period specified for an Award of Deferred Stock by the Committee (or, if permitted by the Committee, as elected by the Participant, consistent with Section 409A of the Code). In addition, Deferred Stock shall be subject to such restrictions as the Committee may impose, which restrictions may lapse at the expiration of the deferral period or at earlier specified times, separately or in combination, in installments or otherwise, as the Committee may determine (subject to the limitations set of Section 7(f)).

(ii) Forfeiture. Except as otherwise determined by the Committee, upon termination of employment or service (as determined under criteria established by the Committee) during the applicable deferral period or portion thereof to which forfeiture conditions apply (as provided in the Award Agreement evidencing the Deferred Stock), all Deferred Stock that is at that time subject to such forfeiture conditions shall be forfeited; provided, however, that the Committee may provide, by rule or regulation or in any Award Agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Deferred Stock will be waived in whole or in part in the event of termination resulting from specified causes.

(f) Bonus Stock and Awards in Lieu of Cash Obligations. The Committee is authorized to grant Stock as a bonus, or to grant Stock or other Awards in lieu of Company obligations to pay cash under other plans or compensatory arrangements (subject to the limitations of Section 7(f)).

(g) Dividend Equivalents. The Committee is authorized to grant awards entitling the Participant to receive cash, Stock, other Awards or other property equal in value to dividends paid with respect to a specified number of shares of Stock ("Dividend Equivalents"). Dividend Equivalents may be awarded on a free-standing basis or in connection with another Award; provided that, in no event shall dividend rights or Dividend Equivalents accrue or be paid with respect to shares of Stock subject to Options or SARs. The Committee may provide that Dividend Equivalents shall be paid or distributed when accrued or shall be deemed to have been reinvested in additional Stock, Awards or other investment vehicles, and subject to such restrictions on transferability and risks of forfeiture, as the Committee may specify; provided that, Dividend Equivalents granted in connection with an Award shall vest and be paid only if and to the extent the underlying shares subject to the Award vest and are paid.

(h) Other Stock-Based Awards. The Committee is authorized, subject to limitations under applicable law, to grant such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Stock and factors that may influence the value of Stock, as deemed by the Committee to be consistent with the purposes of the Plan, including, without limitation, convertible or exchangeable debt securities, other rights convertible or exchangeable into Stock, purchase rights for Stock, Awards with value and payment contingent upon performance of the Company or any other factors designated by the Committee and Awards valued by reference to the book value of Stock or the value of securities of or the performance of specified Subsidiaries ("Other Stock-Based Awards"). The Committee shall determine the terms and conditions of such Awards (subject to the limitations of Section 7(f)). Stock issued pursuant to an

Award in the nature of a purchase right granted under this Section 6(h) shall be purchased for such consideration, paid for at such times, by such methods, and in such forms, including, without limitation, cash, Stock, other Awards, or other property, as the Committee shall determine. Cash awards, as an element of or supplement to any other Award under the Plan, may be granted pursuant to this Section 6(h).

7. Certain Provisions Applicable to Awards.

(a) Stand-Alone, Additional, Tandem, and Substitute Awards. Subject to Section 9(f)(ii), Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with or in substitution for any other Award granted under the Plan or any award granted under any other plan of the Company, its Parent or Subsidiaries or any business entity to be acquired by the Company or a Subsidiary, or any other right of a Participant to receive payment from the Company its Parent or Subsidiaries. Awards granted in addition to or in tandem with other Awards or awards may be granted either as of the same time as or a different time from the grant of such other Awards or awards.

(b) Term of Awards. The term of each Award shall be for such period as may be determined by the Committee; provided, however, that in no event shall the term of any Option or an SAR exceed a period of ten years from the date of its grant (or such shorter period as may be applicable under Section 422 of the Code).

(c) Form of Payment Under Awards. Subject to the terms of the Plan and any applicable Award Agreement, payments to be made by the Company, its Parent or Subsidiaries upon the grant, exercise or settlement of an Award may be made in such forms as the Committee shall determine, including, without limitation, cash, Stock, other Awards or other property, and may be made in a single payment or transfer, in installments or on a deferred basis. Such payments may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of Dividend Equivalents in respect of installment or deferred payments denominated in Stock.

(d) Loan Provisions. With the consent of the Committee, and subject at all times to, and only to the extent, if any, permitted under and in accordance with, laws and regulations and other binding obligations or provisions applicable to the Company, the Company may make, guarantee or arrange for a loan or loans to a Participant with respect to the exercise of any Option or other payment in connection with any Award, including the payment by a Participant of any or all federal, state or local income or other taxes due in connection with any Award. Subject to such limitations, the Committee shall have full authority to decide whether to make a loan or loans hereunder and to determine the amount, terms and provisions of any such loan or loans, including the interest rate to be charged in respect of any such loan or loans, whether the loan or loans are to be with or without recourse against the borrower, the terms on which the loan is to be repaid and conditions, if any, under which the loan or loans may be forgiven. For the avoidance of doubt, no such loans shall be made to a Participant who is an executive officer of the Company or a member of the Board.

(e) Performance-Based Awards. The Committee may, in its discretion, determine that an Award granted to an employee shall be contingent upon the achievement of pre-established performance objectives and other terms set forth in this Section 7(e) ("Performance Award").

(i) Performance Objectives. The performance objectives for an Award subject to this Section 7(e) shall consist of one or more business criteria and a targeted level or levels of performance with respect to such criteria, as specified by the Committee consistent with this Section 7(e). The Committee may determine that such Performance Awards shall be granted, exercised, and/or settled upon achievement of any one performance objective or that two or more of the performance objectives must be

achieved as a condition to grant, exercise, and/or settlement of such Performance Awards. Business criteria used by the Committee in establishing performance objectives for Awards subject to this Section 7(e) shall be selected from among the following criteria, or any such other criteria determined by the Committee in its sole discretion, which in either case may be applied to the Company, on a consolidated basis, and/or for specified Subsidiaries, divisions, or other business units of the Company (where the criteria are applicable):

- (1) Return on capital;
- (2) Earnings or earnings per share (which earnings may include equity in earnings of investees, and may be determined without regard to interest, taxes, depreciation, and/or amortization);
- (3) Cash flow provided by operations;
- (4) Increase in stock price;
- (5) Changes in annual revenues;
- (6) Net sales;
- (7) Total shareholder return;
- (8) Inventory control measures;
- (9) Internet sales, including as it relates to total or net sales; and/or
- (10) Strategic business criteria, consisting of one or more objectives based on meeting specified revenue, market penetration, geographic business expansion goals, cost targets, and goals relating to acquisitions or divestitures.

The levels of performance required with respect to such business criteria may be expressed in absolute or relative levels. Performance objectives may differ for such Awards to different Participants. The Committee shall specify the weighting to be given to each performance objective for purposes of determining the final amount payable with respect to any such Award.

(ii) Performance Award Terms. Performance objectives, amounts payable upon achievement of such objectives, the applicable performance period and other material terms of Performance Awards shall be established by the Committee. In addition, the Committee shall specify the circumstances in which such Performance Awards shall be paid or forfeited in the event of termination of employment by the Participant prior to the end of a performance period or settlement of Performance Awards.

(iii) Certain Adjustments. To the extent applicable, unless the Committee decides otherwise, the determination of achievement of performance objectives for Performance Awards shall be made in accordance with U.S. generally accepted accounting principles ("GAAP") and a manner consistent with the methods used in the Company's audited financial statements. Unless the Committee decides otherwise, the determination of achievement of performance objectives for Performance Awards shall be made without regard to (A) changes in accounting methods, (B) non-recurring acquisition expenses and restructuring charges; or (C) other costs or charges associated

with refinancings, write-downs, impairments, closures, consolidations, divestitures, strategic initiatives, and items associated with acquisitions, including but not limited to, earn-outs and bargain purchase gains. In calculating earnings or earnings per share, the Committee may provide that such calculation shall be made on the same basis as reflected in a release of the Company's earnings for a previously completed period as specified by the Committee. In setting the performance objectives for Performance Awards, the Committee may provide for adjustments in respect of unusual or infrequently occurring items determined in accordance with applicable accounting standards, adjustments for equity compensation expenses, and such other adjustments as it deems appropriate. In addition, the Committee, in its sole discretion, may make adjustments to the performance objectives, the amounts payable in respect of the applicable performance objectives, and performance results, to the extent consistent with the terms of the applicable Award Agreement.

(iv) Committee Determinations. The Committee shall determine the achievement of performance objectives relating to Performance Awards, and the amount of any payment in respect of Performance Awards.

(f) Minimum Vesting Requirement. At the time of grant, the terms of Awards granted under the Plan shall provide that the Awards shall not vest prior to the one-year anniversary of the date of grant, except as may be provided in the event of a Participant's death or disability, or in the event of a Change in Control; provided that, (i) Awards granted to non-employee directors will be deemed to satisfy this minimum vesting requirement if they are granted on the date of our annual meeting of stockholders and vest on the date of our next annual meeting of stockholders immediately following the date of grant and (ii) subject to any adjustments made in accordance with Section 4(c), Awards covering up to 5% of the shares subject to the share reserve set forth in Section 4(a) as of the 2020 Plan Effective Date may be granted without regard to the minimum vesting requirement.

8. Change in Control. Notwithstanding anything contained in the Plan to the contrary, the provisions of this Section 8 shall apply in the event of a Change in Control.

(a) Replacement Awards; No Immediate Vesting.

(i) An Award shall not vest upon the occurrence of a Change in Control and shall continue to the extent qualifying as a Replacement Award.

(ii) A "Replacement Award" includes an outstanding Award that continues upon and after the occurrence of a Change in Control and an Award provided to a Participant in replacement of an outstanding Award (such replaced Award, a "Replaced Award") in connection with a Change in Control that satisfies the following conditions:

(A) It has a value at least equal to the value of the Replaced Award;

(B) It relates to publicly traded equity securities of the Company or its successor in the Change in Control or another entity that is affiliated with the Company or its successor following the Change in Control;

(C) Its other terms and conditions are not less favorable to the Participant than the terms and conditions of the Replaced Award (including the provisions that would apply in the event of a subsequent change in control); and

(D) Upon an involuntary termination of employment or separation from service of a Participant by the Company other than for Cause (and not due to disability), or a voluntary termination of employment or separation from service by the Participant for

Good Reason (if applicable), occurring on or during the period of twenty-four (24) months after the Change in Control, the Replacement Award, to the extent not vested and unrestricted as of such termination of employment or separation from service, shall become fully vested and (if applicable) exercisable and free of restrictions.

The Committee, as constituted immediately before the Change in Control, shall have the discretion to determine whether the conditions of this Section 8(a)(ii) are satisfied.

(b) Vesting if No Replacement Award. To the extent that a Replacement Award is not provided to the Participant, upon the occurrence of a Change in Control:

- (i) Any and all Options and SARs granted hereunder shall become immediately exercisable;
- (ii) Any restrictions imposed on Restricted Stock shall lapse and become freely transferable, and all other Awards shall become fully vested; and
- (iii) Except as otherwise provided in an Award Agreement, the payout opportunities attainable at target or, if greater, in the amount determined by the Committee to have been earned thereunder based on performance through the date of the Change in Control, under all outstanding Awards of performance-based Stock, cash Awards and other Awards shall be deemed to have been earned for the entire performance period(s) as of the effective date of the Change in Control. The vesting of all such earned Awards shall be accelerated as of the effective date of the Change in Control, and in full settlement of such Awards, there shall be paid out in cash, or in the discretion of the Committee, shares of Stock with a Fair Market Value equal to the amount of such cash.

Except as otherwise determined by the Committee, the foregoing provisions of this Section 8(b) shall apply, and a Participant's outstanding Awards shall not become Replacement Awards, upon the occurrence of a Change in Control following an involuntary termination of employment or separation from service of the Participant by the Company other than for Cause (and not due to disability), or a voluntary termination of employment or separation from service for Good Reason by the Participant (if applicable), occurring (x) at the request of a third party who was taking steps reasonably calculated to effect such Change in Control or (y) otherwise in contemplation of and within 180 days before such Change in Control.

(c) Change in Control. For purposes of the Plan, "Change in Control" shall mean:

- (i) Any person becoming the beneficial owner of securities of the Company representing thirty percent (30%) or more of the combined voting power of the Company's then outstanding securities;
- (ii) Individuals who serve on the Board immediately prior to the event, or whose election to the Board or nomination for election to the Board was approved by a vote of at least two-thirds of the directors who either serve on the Board immediately prior to the event, or whose election or nomination for election was previously so approved, ceasing for any reason to constitute a majority of the Board;
- (iii) Consummation of a merger or consolidation of the Company or any Subsidiary into any other corporation, other than a merger or consolidation that results in the holders of the voting securities of the Company outstanding immediately prior thereto holding immediately thereafter securities representing more than sixty percent (60%) of the combined voting power of the voting securities of the Company; or

(iv) The stockholders of the Company approving a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets and such liquidation, sale or disposition is consummated.

9. General Provisions.

(a) Compliance With Laws and Obligations. The Company shall not be obligated to issue or deliver Stock in connection with any Award or take any other action under the Plan in a transaction subject to the requirements of any applicable securities law, any requirement under any listing agreement between the Company and any national securities exchange or automated quotation system or any other law, regulation or contractual obligation of the Company until the Company is satisfied that such laws, regulations, and other obligations of the Company have been complied with in full. Certificates representing shares of Stock issued under the Plan will be subject to such stop-transfer orders and other restrictions as may be applicable under such laws, regulations and other obligations of the Company, including any requirement that a legend or legends be placed thereon. In addition, the Company may adopt policies that impose restrictions on the timing of exercise of Options, SARs or other Awards (e.g., to enforce compliance with Company-imposed black-out periods).

(b) Limitations on Transferability. Awards and other rights under the Plan will not be transferable by a Participant except by will or the laws of descent and distribution or to a Beneficiary in the event of the Participant's death, shall not be pledged, mortgaged, hypothecated or otherwise encumbered, or otherwise subject to the claims of creditors, and, in the case of ISOs and SARs in tandem therewith, shall be exercisable during the lifetime of a Participant only by such Participant or his guardian or legal representative; provided, however, that such Awards and other rights (other than ISOs and SARs in tandem therewith) may be transferred to one or more of the following transferees (each transferee a "Permitted Assignee") during the lifetime of the Participant to the extent and on such terms as then may be permitted by the Committee: (i) to the Participant's spouse, children or grandchildren (including any adopted and step children or grandchildren), parents, grandparents or siblings; (ii) to a trust for the benefit of one or more of the Participant or the persons referred to in clause (i); (iii) to a partnership, limited liability company or corporation in which the Participant or the persons referred to in clause (i) are the only partners, members or stockholders; or (iv) for charitable donations to a charitable organization; provided that such Permitted Assignee shall be bound by and subject to all the terms and conditions of the Plan and the Award Agreement relating to the transferred Award and shall execute an agreement satisfactory to the Company evidencing such obligations and provided further that such Participant shall remain bound by the terms and conditions of the Plan.

(c) No Right to Continued Employment or Service. Neither the Plan nor any action taken hereunder shall be construed as giving any employee, director or other person the right to be retained in the employ or service of the Company, its Parent or any Subsidiary, nor shall it interfere in any way with the right of the Company, its Parent or any Subsidiary to terminate any employee's employment or other person's service at any time or with the right of the Board or stockholders to remove any director.

(d) Taxes. The Company, its Parent and Subsidiaries are authorized to withhold from any Award granted or to be settled, any delivery of Stock in connection with an Award, any other payment relating to an Award or any payroll or other payment to a Participant amounts of withholding and other taxes due or potentially payable in connection with any transaction involving an Award, and to take such other action as the Committee may deem advisable to enable the Company, its Parent and Subsidiaries and Participants to satisfy obligations for the payment of withholding taxes and other tax obligations relating to any Award. This authority shall include authority to withhold or receive Stock or other property and to make cash payments in respect thereof in satisfaction of a Participant's tax obligations.

(e) Section 409A. Notwithstanding the other provisions hereof, the Plan and the Awards are intended to comply with the requirements of Section 409A of the Code, to the extent applicable. Accordingly, all provisions herein and with respect to any Awards shall be construed and interpreted such that the Award either (i) qualifies for an exemption from the requirements of Section 409A of the Code or (ii) satisfies the requirements of Section 409A of the Code to the maximum extent possible; provided, however, that in no event shall the Company be obligated to reimburse a Participant or Beneficiary for any additional tax (or related penalties and interest) incurred by reason of application of Section 409A, and the Company makes no representations that Awards are exempt from or comply with Section 409A and makes no undertakings to ensure or preclude that Section 409A will apply to any Awards. If an Award is subject to Section 409A, (A) distributions shall only be made in a manner and upon an event permitted under Section 409A, (B) payments to be made upon a termination of employment shall only be made upon a "separation from service" under Section 409A, (C) payments to be made upon or in connection with a Change in Control shall only be made upon or in connection with a "change of control event" under Section 409A, to the extent required by Section 409A, (D) unless the Award Agreement specifies otherwise, each installment payment shall be treated as a separate payment for purposes of Section 409A, and (E) in no event shall a Participant, directly or indirectly, designate the calendar year in which a distribution is made except in accordance with Section 409A. Notwithstanding anything herein to the contrary, in the event that any Awards constitute nonqualified deferred compensation under Section 409A of the Code, if (x) the Participant is a "specified employee" of the Company as of the specified employee identification date for purposes of Section 409A (as determined in accordance with the policies and procedures adopted by the Company) and (y) the delivery of any cash or Stock payable pursuant to an Award is required to be delayed for a period of six months after separation from service pursuant to Section 409A, such cash or Stock shall be paid within 15 days after the end of the six-month period. If the Participant dies during such six-month period, the amounts withheld on account of Section 409A shall be paid to the Participant's Beneficiary within 30 days of the Participant's death.

(f) Changes to the Plan and Awards.

(i) The Board may amend, alter, suspend, discontinue or terminate the Plan or the Committee's authority to grant Awards under the Plan without the consent of stockholders or Participants, except that any such action shall be subject to the approval of the Company's stockholders at or before the next annual meeting of stockholders for which the record date is after such Board action if such stockholder approval is required by any federal or state law or regulation or the rules of any stock exchange or automated quotation system on which the Stock may then be listed or quoted, and the Board may otherwise, in its discretion, determine to submit other such changes to the Plan to stockholders for approval; provided, however, that, without the consent of an affected Participant, no such action may materially impair the rights of such Participant under any Award theretofore granted to him (as such rights are set forth in the Plan and the Award Agreement). The Committee may waive any conditions or rights under, or amend, alter, suspend, discontinue, or terminate, any Award theretofore granted and any Award Agreement relating thereto; provided, however, that, (subject to Section 4(c)) without the consent of an affected Participant, no such action may materially impair the rights of such Participant under such Award (as such rights are set forth in the Plan and the Award Agreement). The Board or the Committee shall also have the authority to establish separate sub-plans under the Plan with respect to Participants resident in a particular jurisdiction (the terms of which shall not be inconsistent with those of the Plan) if necessary or desirable to comply with the applicable laws of such jurisdiction.

(ii) Notwithstanding any provision herein, except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, distribution (whether in the form of cash, Stock, other securities or other property), stock split, extraordinary cash dividend, recapitalization, change in control, reorganization,

Table of Contents

merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Stock or other securities, or similar transactions), the Company may not, without obtaining stockholder approval, (A) amend the terms of outstanding Options or SARs to reduce the exercise price of such outstanding Options or SARs, (B) cancel outstanding Options or SARs in exchange for Options or SARs with an exercise price that is less than the exercise price of the original Options or SARs or (C) cancel outstanding Options or SARs with an exercise price above the current Stock price in exchange for cash or other securities.

(g) No Rights to Awards; No Stockholder Rights. No person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Participants and employees. No Award shall confer on any Participant any of the rights of a stockholder of the Company unless and until Stock is duly issued or transferred and delivered to the Participant in accordance with the terms of the Award or, in the case of an Option, the Option is duly exercised.

(h) Company Policies. All Awards made under the Plan shall be subject to any applicable clawback or recoupment policies, share trading policies and other policies that may be implemented by the Board from time to time.

(i) Unfunded Status of Awards; Creation of Trusts. The Plan is intended to constitute an “unfunded” plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of the Company; provided, however, that the Committee may authorize the creation of trusts or make other arrangements to meet the Company’s obligations under the Plan to deliver cash, Stock, other Awards, or other property pursuant to any Award, which trusts or other arrangements shall be consistent with the “unfunded” status of the Plan unless the Committee otherwise determines with the consent of each affected Participant.

(j) Nonexclusivity of the Plan. Neither the adoption of the Plan by the Board nor any submission of the Plan or amendments thereto to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other compensatory arrangements as it may deem desirable, including, without limitation, the granting of stock options otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

(k) No Fractional Shares. No fractional shares of Stock shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, other Awards, or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

(l) Governing Law. The validity, construction and effect of the Plan, any rules and regulations relating to the Plan and any Award Agreement shall be determined in accordance with the laws of the State of Delaware, without giving effect to principles of conflicts of laws, and applicable federal law.

(m) Severability. If any provision of the Plan shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provisions hereof, and the Plan shall be construed and enforced as if such provisions had not been included.

(n) Successors and Assigns. The Plan and Award Agreements may be assigned by the Company to any successor to the Company’s business. The Plan and any applicable Award Agreement shall be binding on all successors and assigns of the Company and a Participant, including

[Table of Contents](#)

any permitted transferee of a Participant, the Beneficiary or estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

- (o) Plan Provisions. In the event there is any express conflict between the terms of the Plan and any Award agreement or other agreement setting forth the terms of an Award, the terms of the Plan shall govern.
- (p) Effective Date. The amended and restated Plan shall be effective as of the 2020 Amendment Effective Date.
