LIFETIME BRANDS ANNOUNCES SECOND QUARTER 2008 RESULTS

Company Declares Regular Quarterly Dividend; Postpones Earnings Guidance Update

GARDEN CITY, NY, August 7, 2008 – Lifetime Brands, Inc. (Nasdaq: LCUT), North America's leading resource for nationally branded kitchenware, tabletop and home décor products, today announced results for the three months ended June 30, 2008.

For the second quarter of 2008, Lifetime's net sales totaled \$92.4 million, as compared to net sales of \$91.4 million for the same period in 2007. The Company reported a net loss of \$3.2 million, or \$0.27 per diluted share, compared to a net loss of \$2.0 million, or \$0.15 per diluted share, for the second quarter of 2007.

Jeffrey Siegel, Chairman, President and Chief Executive Officer, commented, "Given the weak retail environment, we are pleased with the improvement in sales growth compared to the first quarter. Net wholesale sales rose 3.2%, as compared to the 2007 quarter. Excluding net wholesale sales attributable to Mikasa, which we acquired on June 6, net wholesale sales for the quarter were approximately 1% lower than in the prior year.

"A highlight of the quarter was our acquisition of the business and certain assets of Mikasa, Inc. The addition of this outstanding brand expands our already strong position in the tabletop industry. The purchase price was approximately \$20 million, including \$5.0 million to be paid on December 15, 2008, as a non-refundable advance against additional payments equal to 5% of the net sales of Mikasa products in 2009, 2010 and 2011. As previously reported, we expect the acquisition to be accretive in 2008.

"During the quarter, we also completed the consolidation of our West Coast distribution facilities. We expect the consolidation of these facilities to generate approximately \$1 million in annual savings, beginning in the second half of 2008.

"Our inventory reduction initiative continues to yield results, with inventories as of June 30, 2008, down 19%, or \$31 million, on an acquisition-adjusted basis, compared to the prior year.

"The weak retail environment has negatively impacted the results of our Direct-to-Consumer division, especially our retail outlet stores. We are in the process of evaluating our strategic options with regard to the outlet stores.

"Based on our year-to-date results and the likelihood that the economy will remain weak through the fall selling season, it is clear that we will not achieve the financial results we previously had forecasted. Given the challenges of an uncertain and volatile retail climate, we have concluded that it would not be prudent for us to speculate as to our results for the balance of the year. Consequently, we are not providing updated financial guidance at this time. We will comment on our expectations for the year when we report our results for the third quarter and may provide additional financial guidance at that time."

Mr. Siegel concluded, "We remain confident that we have the right initiatives in place to meet our long-term strategic objectives and to create long-term shareholder value."

Separately, the Company announced that its Board of Directors declared a regular quarterly cash dividend of \$0.0625 per share, payable on August 15, 2008 to shareholders of record on August 1, 2008.

Lifetime has scheduled a conference call Thursday, August 7, at 11:00 a.m. ET to discuss second quarter 2008 results and additional matters. The dial-in number for the call is (706) 679-7464. A replay of the call will also be available through Thursday, August 14, 2008 and can be accessed by dialing (706) 645-9291, conference ID #55824403.
